hiss.....

Lin Ziming took a sigh of relief, feeling cold in his heart. Has Chu Fei discovered something?

It's over, it's over...

Seeing that Lin Ziming was silent, Chu Fei laughed out loud and said, "It's making you play, it scares you."

Lin Ziming was dumbfounded, what was the situation, Chu Fei teased him? Damn, is there such a joke? He was almost scared to death!

Chu Fei went on to say: "Qin Yao doesn't know how high his eyes are. How can I look at you. Besides, Qin Yao and I are good sisters. How she looks at you makes me blind. That's right, I'm only interested in you. Okay, I won't tell you. It's a bit cold, so hurry over and I'll go to bed and stay warm for a while."

With that said, Chu Fei opened the quilt and was about to go to bed.

When Lin Ziming wanted to stop it, it was too late.

Chu Fei is already here.

In an instant, Lin Ziming's heartbeat was almost at its extreme. If Chu Fei discovered the existence of Qin Yao, she wouldn't have to kill him.

At the same time, Qin Yao was also very nervous, and she quickly let go of the hands that hugged Lin Ziming to avoid being touched by Chu Fei.

"Why is your body temperature so high, do you have a fever?" Chu Fei said curiously after going to bed.

Fortunately, this bed is big enough, otherwise it is already exposed. To be more safe, Lin Ziming hurriedly turned off the bedside lamp and said, "I am not excited to see you here."

Lin Ziming hugged Chu Fei first, lest she would find Qin Yao.

"Hate," Chu Fei said angrily.

After a while, Chu Fei said softly: "Ziming, do you blame me for acting on my own way, and you don't listen to your opinions?"

These words made Lin Ziming a little confused by the second monk, and asked, "What do you want to do? Did you hide what I did?"

Chu Fei said, "Idiot, it's about tonight. You obviously want me to sleep with you, but I don't listen to you. Let Qin Yao stay."

Lin Ziming smiled dumbly and said, "You said this, nothing, do you think I am so stingy? You and Qin Yao are good sisters, and it is good to have a good chat with her."

"Yeah..." Chu Fei nodded lightly, then held Lin Ziming's big hand, pressed it to her face, and said, "Ziming, you are so kind to me."

Lin Ziming smiled, and then Chu Fei said again: "Ziming, now I'm here, shall we come again?"

"Huh?" Lin Ziming was frightened, and said quickly: "This, don't you need

it?”

Chu Fei asked suspiciously, “Aren’t you feeling uncomfortable? Now that I am here, I can come.”

“Fool, in your eyes, is your husband such a nasty person? Okay, I guess Qin Yao should go to the bathroom. You should also go back quickly, otherwise it won’t be good if she finds out that you are not there.”

Lin Ziming had to compliment his wit.

Sure enough, Chu Fei was even more moved after listening to it, clattering, and said: “Ziming, you are so kind to me!”

“Of course, I’m not good to you, who is good, okay, go back quickly, it won’t be good if Qin Yao finds out.” Lin Ziming said solemnly.

Chu Fei nodded, kissed Lin Ziming’s lips, said goodnight, and then crept back.
