

## Chapter: 728

Finally, after Chu Fei had left and closed the door, there were two sounds of relief in the room, and both Lin Ziming and Qin Yao breathed a sigh of relief.

It was really thrilling just now, if Lin Ziming's reaction were not fast enough, this would have been exposed!

Once Chu Fei knew about it, Mars would hit the earth and it would be dead. Qin Yao hurriedly got out of the quilt and gasped for breath. She had been stuffed in the quilt just now, and she was almost deprived of oxygen.

"Almost suffocated." Qin Yao finally breathed smoothly, and said: "It was really dangerous just now, and Feifei was almost spotted."

Lin Ziming rolled his eyes frantically, "If you didn't come to my room, would there be such a risk? Okay, now Feifei has gone back, you should go back too!"

After Chu Fei's personal contact just now, Lin Ziming's fire has risen again. It is really bad enough. He doesn't dare to keep Qin Yao here, otherwise he will be the unlucky person.

Qin Yao said proudly: "I don't, it's early."

Lin Ziming's face turned black immediately, and he said, "Qin Yao, you are enough."

"Don't be so fierce to others. They just like you and simply want to be with you. Is that all wrong?" Qin Yao made a sobbing gesture, looking at me like that, and had to say, Qin Yao's skill in acting as a baby is indeed very deep, and people like Lin Ziming can't get angry anymore.

"Qin Yao, don't provoke my bottom line, I have given you enough face."

Lin Ziming continued to say with a cold face.

However, Qin Yao saw through his pretense. He was not afraid of him at all. Instead, he came to hug him and said in a sad and pitiful tone: "Ziming, don't do this to me, please. I am I really like you. I just want to stay by your side. I don't need any status or money. I just need you to come and see me and give me a little love when you think of me. Isn't that impossible?"

"You..." Lin Ziming really wanted to take it.

Qin Yao immediately continued: "You believe me, I promise I won't let Feifei know, and I won't threaten her position! Really, I swear!"

As she said, she really raised her finger and swears to the sky, "God is up, Qin Yao only likes Lin Ziming in my life. I don't ask for any status or threaten Chu Fei's identity in the palace. I only hope Lin Ziming. When you think of me, come and look at me. It is enough to give me a little love. If there is a lie, I am willing to thunder..."

"Enough!" Lin Ziming couldn't listen anymore, and quickly interrupted her. This Qin Yao is really going too far.

However, Lin Ziming couldn't hate it anymore, because he could feel that

Qin Yao was not lying, these were all inner words.

So Lin Ziming is having a headache now, and he doesn't know what to do.

After thinking for a while, he also said seriously: "Qin Yao, you should interrupt this thought. I am different from the men you imagined. Chu Fei didn't give up when I was the most desperate and incompetent. I, I will not do anything to betray her. Your conditions are very good, and you can find a better man without hanging on a tree of mine."

Qin Yao paled a little when he heard what he said, and wanted to say something, Lin Ziming said again: "Okay, you go back now, I don't think anything happened tonight, you work at Ziqiong Media. I will keep it. If you perform well next time, I will be promoted to your position. Do it well. For Chu Fei's sake, I will never fire you."

When Lin Ziming has said this, he has done his best to benevolent and righteous.

After Qin Yao listened, she bit her lip tightly, lowered her head, her eyes turned red, and she was silent for a long time.

Lin Ziming didn't have a word either, and he had already said what should be said. Qin Yao left the rest to his decision.
