

Chapter: 730

Gu Hanxing saw this man, as if he had found the backbone, his eyes immediately became more red, and his mouth squashed. He burst into tears, leaped forward, hugged the other's thigh, and cried, "Uncle Master, You are late, father, he has been beaten to death by Lin Ziming, father, oooooo..."

Gu Hanxing cried miserably. It was not a pretense, but a real mental breakdown. The sky fell. Now he can only count on the uncle in front of him. Uncle Master is not a man, but a woman. He is Gu Xuan's junior sister and Gu Xuan's first love. For so many years, I have always liked Gu Xuan. Now Gu Xuan's departure is a huge blow to her. !

She saw Gu Hanxing crying so hard, her eyes also showed strong sadness, but more, still resented!

"Han Xing, don't worry, Shishu will definitely avenge your father, this Lin Ziming, he must die!" Shishu said coldly, revealing infinite murderous intent, especially horror, making the temperature of the whole mourning hall, Suddenly lowered several degrees, everyone was afraid.

When Gu Hanxing heard what Uncle Master said, he was relieved, nodded vigorously, and gritted his teeth and said: "Uncle Master, you must not let Lin Ziming die so easily. It's better to get him cramped and tortured to survive, so No survival, no! I will snatch all the women around him, ravage him in front of him, and let him die in despair and pain!!!"

Now Gu Hanxing's expression can no longer be described as hideous and distorted, it is completely abnormal.

Uncle Master nodded vigorously, and said solemnly: "Han Xing, don't worry, this Lin Ziming will only have a dead end next, and the women next to him will also be implicated by him."

Gu Hanxing was overjoyed immediately. He thought of the women around Lin Ziming, all of whom were first-class beauties, and they were all in his pocket. The sadness of Gu Xuan's death immediately rushed away a lot. .

Next, Shishu walked to the crystal coffin and looked at Gu Xuan inside. She shed tears, extremely sad and angry. She has always maintained an underground relationship with Gu Xuan. Her husband is just her puppet. In his mind, Gu Xuan is her real husband. But now that Gu Xuan is dead, her hope is also lost.

Many people don't know that her martial arts are actually better than Gu Xuan, but in front of the world, in order to maintain Gu Xuan's face, she has always been concealed.

Now that Gu Xuan is dead, there is no need for her to hide her clumsiness! There was a word in her mouth: "Lin Ziming, you are dead, I will kill you at the end of the world, no one can save you!"

.....

Two days later, Lin Ziming recovered all his injuries and returned to his peak state. And after the battle with Gu Xuan, he has improved in strength, and now he has established a firm foothold in the realm of Innate Realm.

In these two days, Lin Ziming was actually not idle, mainly running around before the three companies. He is now beginning to delegate power and intends to hand over these three companies to the corresponding people. He is only responsible for dividing the money. Enough.

With his deterrence, I believe these people will not dare to embezzle and fill their own pockets.

Now he wants to devote more energy to practice, slowly pull away, and no longer manage these business matters. If you have enough money to spend, you don't need too much. Besides, there are still tens of billions in his account, so he won't worry about spending it for ten lifetimes.

And he could clearly feel that after he reached the innate realm, if he wanted to go further, he had to concentrate and put his energy on showing his character. Moreover, the higher the realm, the more cautious and careful. As the saying goes, the higher you stand, the heavier you fall. Once you go on a business trip, the consequences are very serious.

It's still a trivial matter to die. The most feared thing is to get into a demon and cause devastating damage to the people around him.
