

Chapter: 732

Ning Yuning? I don't seem to tell her her phone number, right?

Shiyou ** was told by Ye Piaoyang.

Lin Ziming had delved into this, and asked: "Miss Ning, hello, is there anything you want to do with me?"

Ning Yuning's tone was a little nervous, and said cautiously: "Dong Lin, I'm sorry, I called you rashly and disturbed you."

Lin Ziming is a little funny because of her worried look. Is she so scary?

"Miss Ning, you don't have to be so nervous, I'm not a scourge, just ask me if you have anything to do." Lin Ziming said with a smile.

Ning Yuning blushed when he heard his words, and scolded herself for being stupid. She was not very good at talking. Why did she become so stupid when she came to Lin Dong!

However, as a very popular figure, Ning Yuning has seen many big scenes, and her psychological quality is still quite good. She took a deep breath and recovered to nature, and said: "That's it. remember?"

"Remember, why, he went to trouble you?" Lin Ziming frowned, his tone became much colder. Last time he taught Smith a little lesson, which is already a lot of face for Ning Yuning. Otherwise, instead of his usual character, he would have beaten Smith down to beg for mercy, without having to ask for any face.

Ning Yuning was very moved when she heard Lin Ziming's anger, indicating that Lin Dong was concerned about her?

"There is no such thing. Smith later learned of your identity, and he was very embarrassed, so he now wants to invite you to dinner and apologize to you." Ning Yuning quickly explained, "Dong Lin, I don't know you. When are you free?"

Hearing this, Lin Ziming was a little surprised, that foreigner actually wanted to invite him to dinner?

"Just forget it, I'm not interested in him." Lin Ziming waved his hand and said, he has handed over the power of the company, and his main energy is on cultivation. Where can I have this time to eat with Smith.

Ning Yuning was obviously lost when she heard this, and said: "Is that like this? Okay, let me talk to Smith."

Lin Ziming heard the disappointment in Ning Yuning's words, and said, "Miss Ning, is this Smith threatening you?"

Lin Ziming has a pretty good impression of Ning Yuning. As a big star, he doesn't have that kind of high air and his personality is quite good. It makes people feel comfortable to get along with. Mainly this time, Ning Yuning was also influenced by him this time, and he wanted to help Ning Yuning because of his feelings and reasons.

Ning Yuning was silent for a while, and said, "There is no threat. Since Lin

Dong doesn't want to eat with Smith, then I will refuse him. Lin Dong, I'm so sorry to disturb you."

With that, she hung up the phone.

Lin Ziming thought for a while and called Ning Yuning over, and said, "You tell Smith, I promised. If I have time tomorrow night, let him pick a place."

"Huh?" Ning Yuning was startled, she didn't expect Lin Ziming to suddenly agree.

"Why, is it inconvenient tomorrow night?" Lin Ziming frowned when she saw her answering for a long time.

"Ah, there is no such thing!" Ning Yuning said hurriedly: "Then I will tell Mr. Smith immediately and let him prepare."

Lin Ziming nodded and said, "Yes."

After hanging up the phone, Ning Yuning held the phone in a daze. Lin Ziming originally wanted to refuse, but suddenly agreed. What was the reason? Is it for her?
