

Chapter: 733

She was in a daze for almost a minute, until Yu Qing walked in, saw her like this, shook in front of her, and asked, “Yuning, what are you in a daze? I already called Lin Dong. Did he promise Smith’s meal? Hey, Ning Yuning, wake up.”

Ning Yuning came back to her senses, her face flushed, and said, “Huh? Sister Qing, what did you just say? I didn’t hear it.”

Yu Qing rolled her eyes and said angrily: “I said you did not call Lin Dong, what did he say, did you promise Smith’s meal? Yu Ning, I found something wrong with you recently, and always likes to be in a daze. , Do you have a sweetheart?”

Ning Yuning listened to a heartbeat and shook her head quickly and said: “There is no such thing, how can I have a sweetheart? I focus on my career now. Sister Qing, you don’t know. Besides, our business is absolutely absolute. I can’t fall in love, otherwise my fans will know it, then my popularity will definitely decline.”

Yu Qing nodded, this is indeed the truth, this is also the helplessness of the stars, especially the star of the appearance.

Then Ning Yuning said: “Dong Lin has answered the question and answer, I will call Smith and tell him.”

Immediately she called Smith, and simply said what had just happened.

After hanging up the phone, Yu Qing said with emotion: “I really didn’t think that the famous chairman of Michelle Media was so young, he does not seem to be 30 years old! This is too great, whoever marries Given it to him, the glory and wealth in this life will be endless.”

Ning Yuning nodded, expressing agreement, yearning in his eyes. Which celebrity in the circle has no desire to marry a rich family, even she is no exception. Don’t look at her current popularity and popularity, but there is still a lot of helplessness, and we need to look at the faces of many big bosses. If she is married to Lin Ziming, it will be different.

“For a good man like Lin Dong, there is definitely no shortage of good women around him.” Ning Yuning said.

Yu Qing pushed her and said, “You are also very good. No, you are better than them. You are beautiful, good in figure, talented, or a big star. What kind of woman has this condition to compare with you? And many rich men just like to marry celebrities as their wives. Yu Ning, you can chase Lin Dong.”

Ning Yuning was taken aback by Yu Qing, and shook her head quickly and said, “No, no, I definitely can’t. Lin Dong can’t like me!”

Yu Qing said, “Why do you say Dong Lin can’t like you? I think Dong Lin must be interesting to you. At the airport that day, when you took off your sunglasses and mask, his eyes were dumbfounded.”

When Ning Yuning heard this, her heartbeat suddenly accelerated a lot, “No, it’s impossible, right?”

“Why is it impossible? I think it is very possible. Besides, happiness is achieved by myself. With Yu Ning your condition, I really chase Lin Dong, I don’t believe that he will be indifferent.” Yu Qing brainwashed wildly. .

It was said that Ning Yuning’s heartbeat was getting faster and faster.

In fact, she also knew that she liked Lin Ziming, but she had never dared to have any thoughts, because she felt that Lin Ziming felt cold towards her, and there was no reason to look at her differently because she was a big star.

But Yu Qing’s remarks really made her think about it.

Yes, she is also a big star anyhow, she is beautiful, she has a good figure, and she is sure, she is more proactive, there is really hope!

Thinking of this, she couldn’t stop her heartbeat speeding up and she became excited.

On Smith’s side, he hung up the phone, the corners of his mouth curled up, showing a triumphant smile, and said to a brawny man next to him: “Connor, the yellow-skinned monkey agreed. We will have dinner together tomorrow night. Don’t let me down.”

The man named Connor is also a white man, about one and eighty-five meters tall, with his upper body upright, and he is hitting three sandbags. The speed of his punches is extremely fast. Every punch makes the sandbags shake violently. There was a thumping sound, which looked particularly scary.

In the end, he punched in a row, blasting all three sandbags, and said to Smith: “Smith, do you think that yellow-skinned monkey can catch my punch?”

Smith looked at the sandbags constantly seeping out of the iron sand on the ground, he couldn’t help but shivered. This explosive force was really terrifying. He was afraid that he was going to the hospital on the spot!
