

Chapter: 736

Ning Yuning's expression immediately changed when she heard this!

This foreigner is too much, he actually offended her like this!

The two bodyguards sitting next to her were also a little annoyed. They didn't understand English, but Connor was so fluent, they knew that Connor was molesting Ning Yuning even if they were fools.

Smith was also a little taken aback, he didn't expect Connor to molest Ning Yuning so directly.

No, he could see that Connor is not teasing Ning Yuning, but serious, this guy really wants to take care of Ning Yuning!

He thought for a while, and he still had no choice to stop. Connor is a top boxer with a lot of money. In one year, he can earn tens of millions of dollars. It is indeed very easy to raise a star of Hua Guo.

Not to mention Connor, if he had this opportunity, he would also like to take care of Ning Yuning, such a beautiful oriental woman, on the bed, it will definitely be fun.

Ning Yuning tried hard to control her emotions, but she couldn't stop being angry. Since she became a first-line star, no one has ever teased her like this...No! This is not molesting, but humiliation, naked humiliation.

Her face darkened, and she said coldly to Smith: "Mr. Smith, what do you mean? You must give me an explanation!"

Smith could see that Ning Yuning was really angry, and Lin Ziming still didn't come, and it would be bad if Lin Ziming was allowed to leave because of Ning Yuning's fault.

So he winked at Connor quickly, and then said to Ning Yuning: "Dear Miss Ning Yuning, sorry, my friend is Connor. He is a comedian. He usually likes to make jokes, so I don't want to offend him. What you mean, please don't take it to heart."

Connor also realized what the purpose of the dinner is tonight. It's better not to spoil Smith for now, so he temporarily put aside his posture and said to Ning Yuning: "Miss Ning Yuning, I was joking just now. You are indeed I have seen the most beautiful Chinese woman, and I will invite you to dinner alone if I have the opportunity."

Ning Yuning looked at Smith's face, she also didn't have the same knowledge of Connor, and nodded gently, but she didn't care about Connor.

This made Connor particularly upset. A boxer of his level, who is a Chinese star, and a small Chinese star, dare to show him his face. He really doesn't know what to do.

However, he also didn't have a problem, but smiled meaningfully and took his gaze away from Ning Yuning. After tonight, he knocked down the yellow-skinned monkey who had offended Smith. No matter how good he dealt with Ning Yuning, as long as he shot, Ning Yuning would definitely

not be able to get out of his palm, waiting for him to get Ning Yuning. Going to bed, waiting for Ning Yuning was the pain that he couldn't bear. You know, the Chinese women he played with before were very painful the first night, hehe!

Speaking of Lin Ziming's side, he still came by himself, and now he is alone, so it is a burden to ask for a bodyguard.

When Yu Qing saw him coming alone, or getting off from a taxi, he felt very unbelievable. At first glance, he thought he had seen the wrong person. She couldn't understand why a big boss at the level of Lin Ziming would still take a taxi to go out, and there was no bodyguard?

Isn't Lin Ziming afraid of being kidnapped or threatened by society?

No matter how strong his fighting ability is, he can't do this, right? You know, many so-called boxing champions usually bring a lot of bodyguards.

But in this case, she wouldn't be so stupid to ask, maybe people just have confidence in themselves, or maybe they like to be alone.

She took the initiative to greet her and said with a smile: "Chairman, here you are, Yu Ning and Mr. Smith are already waiting in the box."

Lin Ziming nodded, said hello, and went up with Yu Qing.

When he walked to the door of the box, his right eyelid suddenly jumped slightly, and some premonitions flashed in his heart, a very mysterious feeling, and then the corners of his mouth rose slightly, revealing an intriguing smile.
