

## Chapter: 737

He already felt it. This time Smith invited him to dinner. The real purpose was not to apologize, but to feast.

It's a bit interesting, a foreign star dare to give a grand banquet in China.

He wanted to see what storm Smith could make!

After Yu Qing pushed the door in, he saw Conner on the opposite side at a glance, with a thick neck and almost the same size as his face. Wearing clothes, he could see the muscles all over his body, full of explosive power.

And from the opponent's fist on the dinner table, seeing the thick cocoons on the joints, Lin Ziming immediately knew that this was a professional boxer, but his level was quite high.

Feelings have invited a master, no wonder Smith has spent so much time inviting him to dinner.

interesting.

Moreover, Lin Ziming keenly discovered that Ning Yuning's face was not very good, and his mood was irritable and disgusting. Unsurprisingly, most of them were molested by this professional boxer.

His coming in also attracted the attention of everyone in the box.

Seeing him appear, Ning Yuning immediately smiled and became happy.

Maybe she has been thinking about it these days, now that she saw Lin Ziming, she was really happy, and she recovered the joy of seeing the boy she liked when she was studying.

Since she entered the entertainment industry, she has never been in a relationship...It should be said that she has never been in a relationship. When she was in school, she just had a crush on the boys who were well-studied in the class.

Now that Lin Ziming appeared, she had regained this feeling of heartbeat, which was particularly beautiful.

Lin Ziming felt her joy, he suddenly snorted in his heart, dearly, isn't this Ning Yuning interesting to him too?

That's terribly bad!

Now he has enough peach blossom debts on his body, and if Ning Yuning is added, it will really make matters worse.

Fortunately, he immediately realized that Ning Yuning was only smiling politely, not the kind of throbbing joy, and he was relieved. I think I'm too veteran, and I will be frightened by any movement. Think about it, but Ning Yuning is a popular star, with tens of millions of fans, and I don't know how many handsome guys I have seen, so I am interested in such an ordinary man like him.

At the same time, Smith and the others also set their sights on Lin Ziming, and their eyes flashed with obvious hostility.

Kang Na squinted his eyes and looked at Lin Ziming. His gaze was the

sharpest, but he didn't see that Lin Ziming was so great that he looked like an ordinary person.

He is tall and thin, with no strong muscles, and his skin looks very tender.

He is not a master at all.

Immediately he breathed a sigh of relief. The arrogance and disdain appeared on his face, and he said to Smith on the side: "Smith, this is the Oriental who defeated the few of you?"

Smith gritted his teeth: "Yes, it's him!"

Connor mocked relentlessly: "Then you are too rubbish, you can't even beat this kind of stuff."
