

Chapter: 755

“Isn’t it, this man is really thick-skinned, and he dares to come home for revenge...”

Hearing these ridicules, Gu Hanxing’s expression immediately changed. He was so angry that he gritted his teeth, and his anger suddenly rose. Lin Ziming laughed at him, but the ants in front of him even dared to laugh at him, it was almost dead!

“Looking for death!!!” Gu Han Xingbao shouted, and then he was about to violently beat others.

At this moment, a hand next to him pressed him, just like putting a chain on the mad dog, and he couldn’t move in an instant.

It is his uncle, Wu Meizi.

“Uncle Master?” Gu Hanxing looked at Wu Meizi in confusion.

To say who Gu Hanxing fears most in this world is not Gu Xuan, but Wu Meizi in front of him.

In fact, he is a small group of people, knowing that Wu Meizi’s cultivation is higher than his father Gu Xuan, and Wu Meizi is the real cruel person. When Wu Meizi was young, he once did a big thing, that is, one person, one sword. Killing the enemy at the time was full of methods, and the method was extremely harsh!

He also knew that Wu Meizi and his father Gu Xuan had secrets, and they had sympathized underground for many years. In his mind, Wu Meizi is his stepmother.

Wu Meizi is tall and thin, with a mean expression on her face.

She looked unsmiling, and her aura was really big, especially scary.

“These are all ants. It is not necessary to have general knowledge with them.” Wu Meizi said lightly.

Gu Hanxing said unwillingly: “But Master, they humiliated me like this just now! I’m not reconciled if I don’t say this!”

Wu Meizi stared at him with cold eyes, “If the ants offend the gods, they should trample them to death instead of teaching them.”

Gu Hanxing shuddered. He understood what Wu Meizi meant. This is to kill all these people!

This is too crazy. Gu Hanxing asked himself that it was relatively lawless, and he would crush anyone who disliked him. But if he wants to kill him because others humiliate him, he still can’t do it. The key is not one or two people, but more than a hundred people!

Crazy, crazy.

He looked at Wu Meizi now, even more afraid.

Wu Meizi looked at him and said with a faint smile, “Why, are you scared?”

Gu Hanxing was indeed scared, but he dared not admit it, and shook his head quickly and said, “There is no such thing!”

Wu Meizi snorted and said, “Han Xing, you are as kind as your dad, so you can take your own life.”

They are so cruel, are they still kind?

But compared with Wu Meizi, it is indeed very kind.

Gu Hanxing said again: “Uncle Master, after all, there are surveillance everywhere in the hotel. If you kill them, I am afraid that something will happen!”

Wu Meizi said lightly: “I don’t want you to kill now.”

Gu Hanxing breathed a sigh of relief, not letting it be killed now, and then he immediately became excited, Master Wu Meizi is so cruel, isn’t Lin Ziming a dead end? !
