

## Chapter: 756

When many Chu family members saw Gu Hanxing stop, they all smiled triumphantly, thinking that Gu Hanxing was a rat-throwing device, and they were terrified.

“Grandpa, it’s not the same if you take action. They are immediately scared, haha.” Chu Hao flattered flatteringly. He is living well now, and his body is a bit fatter.

“Isn’t that nonsense, don’t look at what my grandfather’s status is now, you can call hundreds of people over with a single call, and one person can drown this group of trifles with one spit.” Chu Huayou said.

The other Chu family members followed suit, and Chu Guodong blushed, especially useful.

Gu Hanxing was particularly annoyed when he saw them being so arrogant, but Wu Meizi didn’t speak, he didn’t dare to overtake it easily now, so he had to wait there.

After a while, a large group of people walked in from outside. There were almost a hundred people, all of them tall and burly men, all looking fierce and evil. Their appearance made the Chu family and others ecstatic.

“Ahu is here!”

“Ahu is interesting enough, calling so many men over, haha!”

“This group of craps is over! Hmph, a mob, with only a dozen people, dare to come to our Chu family’s site to make trouble. It’s almost reckless!”

Chu Guodong also smiled. Ahu was a big brother he had met not long ago. He was very powerful, and he responded with a hundred responses. So many people came here at once, and now they are not crushed to death!

Ahu is a brawny bald man who looks particularly fierce. He also has a huge centipede tattoo on his arm, and he knows that he is a wicked person at first glance.

He brought so many people in, especially prestigious, and greeted Chu Guodong, “Uncle Chu, I’m here, which animal is not long-eyed, dare to come to Uncle Chu your site to make trouble, I fucking kill he!”

Ahu was so fierce and evil, seven or eighty big hands swarmed in, making the banquet hall very crowded.

When Chu Guodong saw this scene, he was very excited, laughed, and said, “Ahu, you are just here! It is this group of people who came to my Chu family to run wild, saying that they were coming to our house. Ziming’s revenge is very arrogant and hateful! Ahu, you give them a severe lesson, Uncle Chu owes you a favor!”

Ahu waved his hand and said, “Hi, Uncle Chu, what are you talking about? You can call me Ahu, to give me Ahu face. Besides, these beasts have eaten Xiongxin Leopards. Are you brave enough to come and find Brother Ziming to seek revenge? Brother Ziming is my idol, and if they find Brother Ziming

trouble, they are my enemy, Ahu!!”

As he said, he turned his head and focused his eyes on Gu Hanxing, Wu Meizi and the others. His eyes were not good, and the number seven or eighty who followed him began to surround them.

If you change from ordinary people and see this kind of battle, you will be scared to pee your pants. People in the seventies and eighties are all fierce and strong men. What kind of scene is that?

But for so many people in Wu Meizi, it is just ants. It is naturally impossible to ask people if they will be frightened by ants.

Seeing this situation, Chu Guodong felt that the overall situation had been set, and he was particularly excited. He came out and said, “I don’t care who you are sent, if you dare to run to my Chu family to make trouble, there will only be one end. ,dead!”

Then, he said to Ahu: “Ahu, interrupt their legs and throw them out again. What are the consequences? My Chu family will bear it all!”

At this moment, Chu Guodong is particularly domineering, slamming Fang Yao, standing at the pinnacle of his life, many Chu family members are also excited, and many people take out their mobile phones to take pictures and record videos, and plan to send them to friends later. Pretend to be forced in the circle.

Ahu touched his head, he showed a grin on his face, and said, “Uncle Chu, don’t worry about that, each of them can’t run, they will have to spend it in a wheelchair in the future!”
