

Chapter: 760

“what?!”

Lin Ziming's hair exploded when he heard it, and he stood up abruptly, with a great reaction, which shocked the few people opposite him.

“Dad, what is the situation?” Lin Ziming said in a deep voice.

Chu Huaxiong thought of what happened just now, his whole body still hurts. He hasn't been beaten like this in his life, so he was particularly aggrieved. He cried and told Lin Ziming what had happened before, and finally he said with a choked voice. : “Ziming, where did you provoke this group of people? This time, it caused the Chu family to be miserable!”

After Lin Ziming listened, his anger burst out of his forehead, burning his whole body!

He hadn't been so angry for a long time, and only when he was expelled from the Lin family did he have such a strong anger!

Gu Hanxing's approach has already touched his bottom line and moved his reverse scales!

Ouyang Feng and Ouyang Xuehai, who were sitting across from each other, were shocked by Lin Ziming's current appearance. They vaguely saw two groups of anger burning in Lin Ziming's eyes, revealing a terrifying aura from all over, like immediately The erupting volcano is particularly scary.

Ouyang Feng can be considered to have seen the big scene, and he has also seen other innate realm masters. His psychological quality is far superior to ordinary people, but he is still scared and shivering in the face of Lin Ziming's anger.

As for Ouyang Xuehai, the others are even more scared, their faces pale and their brains pale.

This is not an exaggeration, but the aura that Lin Ziming exudes now is simply too terrifying, as if it is overwhelming, it is about to drown people out.

“Dad, wait for me, I'll pass now!” Lin Ziming said with restraint of anger.

After hanging up the phone, he couldn't control it. The right hand holding the phone slammed hard, and the hard phone burst with a bang, and he rubbed it into a ball of scrap iron!

Then he took a deep breath and said to Ouyang Feng and others: “Grandpa Ouyang, I'm sorry, I just happen to have something that needs to be dealt with, and I'll be out of company.”

Lin Ziming had already put away his terrifying aura at this moment. Only then did Ouyang Feng and the others recovered, their bodies relaxed, and they felt like they had taken a trip from hell. The feelings just now were really terrifying.

The gazes they looked at Lin Ziming now were even more different. They knew that Lin Ziming was very strong, and that he was a master of the

innate realm at a young age, and even a super master like Gu Xuan was not Lin Ziming's opponent. But whether they had personally experienced the horror of Lin Ziming, it was still hard to understand from the bottom of their hearts.

But now, just now, Lin Ziming's terrifying aura, they finally knew Lin Ziming's horror!

Ouyang Feng stood up and said, "Zi Ming, is there something trouble at home? Would you like Grandpa to help?"

Ouyang Xuehai also said hastily, "Yes, Ziming, we are already a family. If there is anything we can help with, please speak up, don't meet us."

Lin Ziming smiled, shook his head and said, "I don't need it for the time being, I can still solve it. When I need help, I will ask Grandpa Ouyang as soon as possible."

Ouyang Feng nodded, since Lin Ziming had already said this, he had no idea what to say, and personally sent Lin Ziming out.

When she walked to the door, she ran into Ouyang Yanran who was rushing back, and looked at each other with Lin Ziming, her heartbeat immediately accelerated a lot involuntarily.

In the past few nights, she would dream of Lin Ziming, and she had some dreams, which was quite shameful.

She was in class, and her mother told her that Lin Ziming was a guest at home and asked her to come back. If she changed, she would definitely ignore it. But now, she felt very happy inexplicably and returned without hesitation.

Seeing Lin Ziming coming out now, she thought she knew she was back, and took the initiative to pick her up. The smile on her face burst out even more.

But immediately, Lin Ziming only glanced at her indifferently, and he didn't take the initiative to say hello. Instead, he turned around and said hello to Ouyang Feng and Ouyang Xuehai, and then walked directly past her.
