

## Chapter: 764

Old Fan put down the call. It was already the ninth call he had received. Without exception, they were all here to warn him that they would have a clear relationship with Lin Ziming, otherwise they would have a clear relationship with Yuntian Pavilion.

Such things, they had never encountered Yuntian Pavilion before!

Originally thought that Lin Ziming defeated Gu Xuan this time, he must have jumped over the dragon gate. The future is limitless. They also intend to take advantage of this opportunity to get closer to Lin Ziming. They even know Tao Sanniang and Lin Ziming. There is an ambiguous relationship between them, and they tried their best to bring them together.

But now it seems that things are far from that simple.

There was silence in the conference hall, and everyone's faces became solemn, realizing the seriousness of this incident!

"Fan, what should we do now? Many of our partners in Yuntian Pavilion have called to let us draw a clear relationship with Lin Ziming."

"Yes, Fan, I think Lin Ziming is going to be difficult this time."

"Are we going to have a strong man breaking his wrist?"

"But if we have a clear relationship with Lin Ziming at this time, and when he resolves Wu Meizi, we will lose Lin Ziming's trust."

Many people at the top of Yuntian Pavilion began to talk enthusiastically at this time, full of worry and panic.

They all set their sights on Fan Lao, waiting for Fan Lao to make a decision.

At this time, Old Fan said, "Where is Sanniang? Let her come."

After a while, Tao Sanniang came over. She was a little surprised to see so many high-level people in the conference room. She asked, "Fan, are you looking for me?"

Old Fan nodded, motioned Tao Sanniang to sit down and asked, "Sanniang, where are you and Lin Ziming's progress now? Have you had any relationship with him?"

Tao Sanniang was taken aback. She obviously didn't expect Fan Lao to ask so directly. She was still in front of the high-levels of such a cloudy Tiange. No matter how thick she was, she was still a yellow girl, her pretty face turned red. , Scolded: "Old Fan, why are you asking me this!"

However, Fan Lao's face changed, he was still very serious, and said, "Answer me."

The others didn't laugh, and looked at her very seriously. Finally, Tao Sanniang realized that something was wrong, and suddenly had a bad feeling in her heart, and said, "Fan, is there something going on with Lin Ziming? Something?"

Fan Laojie answered, but asked more seriously, "You answer my question first."

Tao Sanniang answered honestly and shook his head: “I and Lin Ziming are innocent, but I am confident that Lin Ziming can be taken down in the near future!”

Speaking of this, the corners of her mouth rose slightly, revealing a trace of pride and expectation.

But Elder Fan shook his head and said, “No, you can’t contact him anymore. You have never known him before. Even if he takes the initiative to find you, you should not respond to him.”

The other high-level people in the conference room were relieved when they heard what Elder Fan said. They knew that Elder Fan had made a decision and had to make a clear relationship with Lin Ziming.

But Tao Sanniang didn’t understand at all. She opened her eyes wide and said in shock: “Old Fan, are you kidding me! Now that Lin Ziming has defeated Gu Xuan, he has officially established a firm foothold in the circle and has no future. Limited, this time and Lin Ziming have a clear relationship? Are you crazy!”
