

## Chapter: 765

Old Fan shook his head, and said with a serious expression: "I'm not crazy. Lin Ziming got into big trouble this time. No accident. He will die soon. We must draw a clear relationship with him now. Otherwise, If you offend Wu Meizi, the consequences will be disastrous."

Tao Sanniang wanted to see a hint of joking from Fan Lao's face, but she was disappointed. Fan Lao was more serious than ever, not joking!

"Why?" Tao Sanniang asked unwillingly.

Fan Lao said: "Because Wu Meizi took the shot, this person is Gu Xuan's junior. She is at the pinnacle of cultivation, far away from Gu Xuan, and has huge energy. Now she is going to take revenge for Gu Xuan, Lin Ziming has only one dead end. And, in just half an hour, no less than ten big figures in various fields called us and warned us that Yuntian Pavilion must distinguish between Lin Ziming, otherwise it would be Wu Meizi's enemy, and it would be impossible to recover."

Having said this, Elder Fan sighed for a long time, rubbed his temples, and said, "Lin Ziming is difficult this time. Wu Meizi is much more powerful than Gu Xuan. But anyone who is targeted by Wu Meizi has been so far, there is no one who can survive, all of them have died of unfavorable lives, and have harmed the Nine Clan."

Tao Sanniang heard this, her heart was about to stop, her face turned pale, she knew the character of Fan Lao, since Fan Lao said this, then this Wu Meizi is really terrifying, not Lin Ziming can resist!

She was extremely embarrassed, and finally said unwillingly: "The last time Zi Ming offended Gu Xuan, he also survived. Gu Xuan was killed by him. This time, Gu Xuan's junior sister, Zi Ming can definitely be defeated."

Old Fan shook his head and said, "It's not the same. Gu Xuan is far from Wu Meizi. I heard that Wu Meizi is already the upper realm of the innate realm. It is possible to break through to the legendary King Kong indestructible body Genius! Lin Ziming has no chance of winning this time. Okay, this is the decision. Starting today, our Yuntian Pavilion will formally draw a line with Lin Ziming and cut off all contacts!"

After speaking, he walked out of the meeting room, and other people also walked out, and finally Tao Sanniang stayed there in a daze, with a pained expression.

Several times, she wanted to pick up the phone and call Lin Ziming, but in the end, she still held back because she didn't dare to violate Fan Lao's order.

Similar things are happening in other places. For example, Wang Shougui, Han Jinlong, Guo Yuanjia and others have all received such calls, asking them to draw a clear line between them and Lin Ziming.

Even the ugly master received the call.

Now he hung up the phone and looked at Lin Ziming, who was standing in front of the window and looking into the distance, and said: “Wu Meizi has a huge energy. This time he is determined to eat you and avenge Gu Xuan. I want to isolate you. I believe that everyone who comes into contact with you has been warned by her.”

Lin Ziming didn't speak, but he continued to look into the distance, but the ugly master couldn't tell what he was thinking.

After a pause, the ugly master said: “Wu Meizi was known as a genius who had seen it in 30 years. She was a female body and achieved her innate realm. She is one of the few in the world today who has the hope to aspire to the impeccable body One of the top existences.”

At this moment, Lin Ziming suddenly turned his head back with a smile on his face. He could not see the slightest panic or nervousness. Instead, he smiled and said, “This Wu Meizi should have something to do with Luo Tian organization?”

Ugly Master's eyes flickered, thought for a while, and then nodded: “It seems to be, but she is not an organizer.”

Lin Ziming said: “Listening to you, this Wu Meizi is indeed amazing. She is a genius who has reached such a realm with a female body, and has the hope of aspiring to be invincible.”

Having said this, Lin Ziming suddenly changed his voice and narrowed his eyes. “It's a pity that she moved my family and she has a dead end!”

The ugly master was silent for a while, and said, “Master, you may not be Wu Meizi's opponent.”

“Really?” Lin Ziming just smiled faintly, not angry, and not questioning. Instead, he opened the window and said goodbye to the ugly master, and then jumped, actually from the tenth floor upstairs. Jump like this.

The Ugly Master was taken aback, and hurried to the window and looked down, but he had already seen Lin Ziming walking on the road, unscathed.
