

Chapter: 768

“Great!”

Lin Ziming laughed twice when he heard the allegiance of the two of them, and he was so proud in an instant!

This time Wu Meizi appeared forcefully, rushing to kill him, showing monstrous means, and warned the people around him, even Ouyang’s family and Yuntian Pavilion also drew a clear line with him.

He thought he would fight alone this time and he was mentally prepared, but he didn’t expect that Han Jinlong and Wang Shougui would actually choose to follow him at this time. This really moved him. After all, judging from the current situation, he has little hope of winning. It is very difficult for Wang Shougui and Han Jinlong to make this decision, which means that they will be buried together.

“Good, good!” Lin Ziming said boldly: “I thought that my congregation had rebelled, and I didn’t think that you two would still follow me. Don’t worry, the little one, Wu Meizi, can’t trouble me. Wait for me to get through this difficult time. , To beat Wu Meizi to death, I will definitely not treat you two wrongly!”

Wang Shougui and Han Jinlong were also infected by Lin Ziming’s pride and began to laugh.

Next, Lin Ziming was also not idle, explaining what Wang Shougui and Han Jinlong were going to do. He would start to retreat for a few days, adjust his state to the best in the shortest time, and then he would take the initiative. Find Wu Meizi to fight to the death.

During this time, everyone’s eyes were on Lin Ziming, trying to see how Lin Ziming would retaliate against Wu Meizi, but Lin Ziming disappeared, and there was no movement.

Everyone thought that Lin Ziming was scared, afraid of Wu Meizi, and was about to leave.

Gu Hanxing is particularly proud. He now has Wu Meizi’s cover and is glowing with a second spring. It is even more beautiful than before. Now when he walks out, he will give him face and respectfully call him Gu Ye.

But the more he is like this, the more he is afraid of Wu Meizi. He knows that today’s scenery is all given to him by Wu Meizi. He has to take good care of Wu Meizi’s flattery. If one day Wu Meizi gives up on him, then he will stay overnight. Back before liberation.

“Uncle Master, I’m telling you a good news. Now there is spreading that Lin Ziming is afraid of you, and his face is running away. Hahaha.” Gu Hanxing said excitedly as soon as he came in, and flattered, “Uncle Master, you this time But he ate Lin Ziming to death, it’s too much relief!”

Wu Meizi was looking at Gu Xuan’s portrait on the wall, and turned around and said, “What are you impatient? Your dad doesn’t have any demeanor at

all!”

When Gu Hanxing heard Wu Meizi’s training him, he immediately became anxious and knelt down and repented: “Uncle Master, I was wrong, and I will never dare anymore.”

Wu Meizi looked at Gu Hanxing’s timid and fearful look, and shook her head, with deep disappointment in her eyes.

“Okay, get up.” Anyway, Gu Hanxing is Gu Xuan’s only son. She couldn’t bear to train Gu Hanxing too much, and said in a different tone: “Lin Ziming has escaped, he is going to retreat. , Planning to adjust the state to the best, and then find me to fight to the death.”

Gu Hanxing was stunned for a moment, and some panic flashed in his eyes, and said, “No, Lin Ziming is about to die, and you dare to find Master Uncle you to fight to the death?!”

Wu Meizi caught the panic in his eyes, and shook her head disappointedly, and said, “Han Xing, Lin Ziming is about the same age as you. He is already a middle-level expert in the innate realm, and you are too far behind Lin Ziming. Up.”

Gu Hanxing curled his lips and heard that he felt uncomfortable. He immediately flattered and flattered, and said: “Even if Lin Ziming is a master of the innate realm, what if he offends the uncle, but now he is still dead? My father said it is good, die. If you are a genius, you can’t be considered a genius.”

Wu Meizi nodded and said, “That’s true.”

.....

Time flies, and three days have passed.

In three days, all three of Lin Ziming’s companies suffered huge losses, especially Ziqiong Media, whose market value shrank by one-third!
