

## Chapter: 772

“Yan Ran, who are you looking for?”

A female classmate next to her found her looking around and asked curiously.

Ouyang Yanran shook her head. She didn't even find Lin Ziming. Thinking about it, Lin Ziming couldn't protect herself now, so how could she come to such a grand birthday party?

“Nothing, just take a look.” Ouyang Yanran said.

Several female classmates in the same group thought that Ouyang Yanran was still thinking about Lai Binbai, and became more determined, and she wanted to introduce Ouyang Yanran's determination to meet the handsome guy.

At this moment, a few boys came from the front. Among them, in the middle is a very handsome young man, looking at his early twenties, his skin and everything are well maintained, his bangs are thick, and he is currently a popular Korean dress. It's no surprise to say that it is a star in the entertainment industry.

His appearance made Ouyang Yanran's female classmates excited. They were all Yankong, and they were especially moved when they saw such a handsome boy.

Except for the young man in the middle, the other boys are also very handsome. The famous brand they wear can be seen from the rich family.

When they saw Ouyang Yanran, they also showed a stunning expression. A beautiful woman of the level like Ouyang Yanran is rare no matter where they go.

“It's Shao Zhou and they are here!”

“Oh my god, the man in the middle is too handsome, he looks like Hancheng Obama!”

“That's not it. This handsome guy is called Luo Zifeng. He is from the school of Finance University next door. He is super handsome. The most rare thing is that his family is very rich and handsome.”

“Is he also Gu Shao's friend? That's amazing.”

Ouyang Yanran listened to the discussion of several female classmates, and she couldn't help but look at Luo Zifeng a few more times. She also had to admit that this man named Luo Zifeng grew up very handsome, more handsome than Laibin Bai, and very heroic. , Rather than the weak custard type.

But Ouyang Yanran didn't have too much feeling. Since she met Lin Ziming, her aesthetic has been biased. She no longer likes handsome little meat, but is more interested in mature men.

Soon the other party came over and greeted Ouyang Yanran and others enthusiastically.

These boys are from the University of Finance next door, and they are friends of a female classmate of Ouyang Yanran. They came to attend Gu Hanxing's birthday this time. It was actually a marriage and they knew each other.

These girls had originally rushed towards Luo Zifeng, but now Luo Zifeng's eyes have been fixed on Ouyang Yanran, and they have not moved away. They all know that they are silly.

They are also beauties, but they are still a lot worse than the beauty of Ouyang Yanran.

"Sao Luo, let me introduce to you. This is my good sister, Ouyang Yanran. She is the school flower of our university. There are only one thousand and eight hundred people who pursue her."

There was a deep glow in Luo Zifeng's eyes, a bright smile appeared, and he took the initiative to greet Ouyang Yanran, "Yanran, hello, I am Luo Zifeng, you can call me Zifeng."

Faced with Luo Zifeng's enthusiasm, Ouyang Yanran didn't react too much, but just nodded lightly and said hello.

Luo Zifeng frowned slightly. As the school grass, he didn't know how many girls had a crush on him. Even if their college flowers were taken down by him early, there was no girl who would be so indifferent to him.

Ouyang Yanran's indifferent attitude made him a little uncomfortable, but the more he was like this, the more fulfilled he would be when he conquered, so he showed a super sunny and handsome smile and said: "Yanran, you are among all the women I have seen, The most beautiful one, can I add your WeChat?"

Luo Zifeng's move is always unfavorable, thinking that Ouyang Yanran will definitely agree to him without hesitation. Isn't it? Those female classmates all looked at Ouyang Yanran enviously.
