

## Chapter: 773

But Ouyang Yanran's response made him stunned, "No."

"What?" Luo Zifeng asked in surprise.

Ouyang Yanran was originally a person with a cold personality. She didn't answer Luo Zifeng again, but found a seat and sat down by herself.

This reaction of her caused Luo Zifeng's mouth to twitch fiercely twice. When did his dignified school grass of the University of Finance have been ignored like this!

However, he couldn't get angry, because Ouyang Yanran was so beautiful, it would not be an exaggeration to describe Ouyang Yanran's body, especially the temperament exuded from Ouyang Yanran, anyone with a discerning eye knew that Ouyang Yanran was Rich girl.

The female classmate saw that Luo Zifeng's expression was not right, and quickly explained: "Luo Shao, you forgive me. Our family Yanran's personality is like this, especially cold. She has been in love with her predecessor for three years, but there is no relationship with her predecessor. I kissed her. But once you get acquainted with her, she will be very enthusiastic."

Another female classmate also explained: "Yes, and Yan Ran just broke up with her ex and she was in a bad mood, so we called her over to get to know more friends and forget the unpleasant things in the past."

After Luo Zifeng heard it, he smiled, his mood became cheerful, and he waved his hand and said, "You are too worried, how can I be so stingy? Besides, I admire women with character the most."

As he said, Luo Zifeng picked up the goblet and took a sip. He was so handsome and handsome like that, so that these girls saw the red hearts in their eyes and called them so handsome.

"Yan Ran, what's wrong with you today? Didn't you always use Yan control? Luo Zifeng is so handsome, it should be your food." The girl just asked Ouyang Yanran curiously.

Ouyang Yanran said lightly: "I don't have any thoughts of falling in love right now."

"Hey, I won't let you interact with him right away. Get to know him first, then call and consider further development. Anyway, it's already here, so let's get to know a few more friends."

Ouyang Yanran thought for a while, and felt that the other party was right, she has already come anyway, and it would be nice to know more friends.

She went over to chat with Luo Zifeng and the others.

Luo Zifeng and several other boys were very excited when they saw her coming over. They tried their best to perform in Ouyang Yanran, hoping to get Ouyang Yanran's favor.

If they could make Ouyang Yanran smile, it would make them even more

ecstatic.

Ouyang Yanran found it very boring. These men grew up very handsome, but their thoughts were too naive, and they were not at the same level as Lin Ziming.

Now she started to regret coming to the birthday party tonight, which was really interesting.

She made up her mind, and went back to school after dinner. She didn't sing K with them, it was boring.

At this moment, Ouyang Yanran saw a figure appearing in front of her, she was stunned, and stood up abruptly.

This sudden movement of her shocked Luo Zifeng and others. Ouyang Yanran had always been indifferent, and it was the first time she had such a gaffe.

She also rubbed her eyes, thinking that she had an illusion, and immediately she realized that she had not misunderstood, she was really the person she thought in her heart, and she showed a bright smile from the bottom of her heart. In an instant, the earth was rejuvenated and beautifully pressed. Qunfang, the world has lost its color.

Especially the boys of Luo Zifeng, seeing this smile from Ouyang Yanran, their expressions were all demented!

The man sitting across from Ouyang Yanran thought that Ouyang Yanran was smiling at her. He was instantly ecstatic and his heartbeat was almost to the extreme.

Then Ouyang Yanran left here and walked quickly towards that figure...
