

Chapter: 774

Ouyang Yanran could see clearly, the person who appeared on the opposite side was not who, but Lin Ziming!

When she saw Lin Ziming clearly, she was suddenly infused with chicken blood, and she became happy and excited all of a sudden.

Originally, she was very boring about the banquet. She didn't mean anything at all, so she might as well go back to the dormitory and read a book.

But the appearance of Lin Ziming made her boredom disappear instantly. That feeling is stronger than when she got a toy she wanted and wanted very much.

In fact, during this period, she didn't miss Lin Ziming less, especially after knowing that Lin Ziming was in danger, she missed Lin Ziming even more. She is a high school student, and she is so good in every subject, but she can't understand why she feels this way. She obviously hated Lin Ziming at first.

Is it because Lin Ziming told her that when Lai Binbai betrayed her, she suddenly began to appreciate Lin Ziming?

Ouyang Yanran couldn't figure it out, maybe she was a grateful person.

Luo Zifeng and the others were obviously stunned when they saw Ouyang Yanran leaving so quickly, not knowing what had happened.

Even those female classmates who had known Ouyang Yanran for a long time were surprised. In their impression, Ouyang Yanran was a very cold type, even if Laibinbai came to her, she would not be so. Excited.

They didn't chat either, they all looked at Ouyang Yanran to see who she was going to see.

The closer you get to Lin Ziming, the faster Ouyang Yanran's heart beats. This is an unspeakable emotion. She had only seen Lin Ziming not long ago. How could she be so nervous? This is not her character at all.

However, while she was so stunned, Lin Ziming in front of her suddenly disappeared!

Her mood was lost at this moment, and she quickly looked around, looking for Lin Ziming's figure, but she still couldn't see it.

Lin Ziming disappeared under her nose!

Ouyang Yanran was particularly depressed, and even felt uncomfortable. It was like losing her beloved toy, her nose was a bit sore, and she had the urge to cry!

How is this possible, she and Lin Ziming are not even friends.

"Miss Ouyang, are you looking for me?"

At this moment, behind her, a gentle voice suddenly rang out, which made her stunned for a moment and stunned. Then she immediately turned back and saw Lin Ziming standing in front of her, smiling. Looking at her.

Ouyang Yanran's heart was suddenly blocked, it was a feeling of loss and recovery, and a gorgeous smile bloomed on her face again.

"Uncle, you made a mistake, I'm looking for you to do what I can do."

Ouyang Yanran said this, but the corners of her mouth rose.

Lin Ziming was stunned. Didn't Ouyang Yanran walk over to look for him happily just now?

But Ouyang Yanran said so, and Lin Ziming couldn't stay behind to ask for fun. He said, "Oh, I made a mistake, bye."

After speaking, he turned to leave.

Lin Ziming adjusted his state to the best through three days of bigu. He was 30% sure that he could fight Wu Meizi to the death. He rushed over directly to attend Gu Hanxing's unprecedented grand birthday party.

This time he came by himself, very low-key, hidden in the crowd, because of his low-key, after he appeared, no one found him.
