

Chapter: 776

He has never been so uncomfortable!

From the first sight of Ouyang Yanran, he made up his mind that he would take Ouyang Yanran anyway. He also had absolute confidence in himself.

But now, suddenly a Cheng Yaojin came out, grabbing love with a horizontal knife, and snatching the woman he was fond of. This was a torture to him!

He couldn't bear it.

He stared at Lin Ziming, wishing to punch Lin Ziming to death.

But he knew that he couldn't do this. First of all, it was at Gu Hanxing's birthday party. Once he did it, it would not give Gu Hanxing face. But now Gu Hanxing is in the sky, offending Gu Hanxing, that is a dead end, his entire family will be implicated, so he would never dare to do anything here. But it doesn't mean he will succumb!

So he smiled again and said to Lin Ziming: "Mr. Lin, right? I'm Luo Zifeng, the son of the chairman of the Roche Group. I don't know where you can ask?"

Lin Ziming can guess what Luo Zifeng's idea is with his ass. He is here to do a big deal today. He is too lazy to be familiar with this kind of young guy. He is too lazy to take care of it. He directly said to Ouyang Yanran: "Yanran, I still have something to do. , Don't accompany you, you can play with your friends."

As he said, he was about to pull his hand out, ready to leave.

His behavior fell in Luo Zifeng's eyes, and it became a manifestation of a guilty conscience. The corners of his mouth couldn't help but rose, and he began to tremble.

Ouyang Yanran felt unwilling to see him leaving, grabbed his arm, refused to let him go, and said, "Where are you going? I'll accompany you."

Seeing Lin Ziming looking at her with surprise eyes, Ouyang Yanran blushed a little and explained: "Don't get me wrong, I just listen to my grandfather, and he asked me to contact you more."

So this is ah.....

Lin Ziming smiled and said, "Then you don't have to do this from now on. Your grandfather has already made a decision to draw a line with me."

Ouyang Yanran naturally knew about this, but she didn't understand Grandpa's decision. Is the Ouyang family so afraid of that Wu Meizi?

"You helped me last time, and I still don't have to thank you very much."

Ouyang Yanran looked at Lin Ziming and said.

"What happened last time was accidental, and I am not helping you. Well, you should keep a distance from me, otherwise it will be against you." Lin Ziming said seriously.

The chat between the two of them was too jumpy, causing others to not

understand.

Ouyang Yanran faced Lin Ziming's repeated estrangement, and her temper came. Anyway, this young lady is also a school girl and the daughter of Ouyang's family. I have been so proactive. What do you mean by keeping estranged from me? Well, the more you have to alienate me, the less I can do as you wish.

So Ouyang Yanran took Lin Ziming's arm again, and said a little coquettishly: "Brother Ziming, you should accompany me. I haven't talked to you for a long time."

hiss.....

When Lin Ziming heard Ouyang Yanran acting like a baby, he couldn't help taking a breath. Is this still the Miss Ouyang he knew?

As for the other female classmates, they also had the same devilish expression. If they hadn't seen it with their own eyes, they would think that Ouyang Yanran had been fucked by a ghost! Would he still act like this?

Incredible.

As for the boys, Luo Zifeng was even more envious and jealous, gnashing his teeth with anger.

Lin Ziming thought for a while. He didn't have a place to go anyway. It's better to stay and eat with young people like Ouyang Yanran, waiting for Gu Hanxing and Wu Meizi to come out and watch the changes.

So he said: "Okay, then talk to you."

When Ouyang Yanran heard Lin Ziming's promise, she felt happy, with a bright smile on her face.

After sitting down, Luo Zifeng couldn't wait to say: "Yan Ran, you still haven't told us what Lin Ziming does and what school did he graduate from?"
