

## Chapter: 779

This time, Lin Ziming was called uncle and aunt, and his attitude was obviously alienated. Ouyang Xuehai and Zhang Guilan didn't understand what was going on. Lin Ziming was deliberately alienating them.

Since Wu Meizi warned them, they have drawn a clear line with Lin Ziming. Now that they see Lin Ziming, no matter how thick their skin is, they can't help but blush, which is very embarrassing.

"It turned out to be Lin Dong. I am lucky enough to meet." Ouyang Xuehai laughed dryly and said: "Then I won't bother Lin Dong Yaxing, Yan Ran, you come with us."

After speaking, Ouyang Xuehai took Ouyang Yanran away.

When other people saw Ouyang Xuehai calling Lin Ziming and Lin Dong, they were all stunned. A question suddenly appeared in their minds. Could it be that Lin Ziming is really a chairman?

The smile on Lin Ziming's face did not change. He looked at Ouyang Xuehai in an almost threatening manner, pulling Ouyang Yanran away, and keeping a distance from him. He smiled openly, then sat down and continued to drink and eat, as if everything was going to happen. Nothing happened.

Luo Zifeng frowned and looked into Lin Ziming's eyes, a bit more ferocious. Now that Ouyang Yanran is gone, he no longer has to pretend to be hypocritical. He stared at Lin Ziming sullenly, and said: "Last name Lin, I don't care what your background is. From now on, stay away from Ouyang Yanran, otherwise, I have a hundred ways to make you unable to mix in province g!"

In line with his words, the boys all stared at Lin Ziming, full of threats.

Those girls also despised Lin Ziming, thinking that Lin Ziming was just rubbish.

Lin Ziming drank alcohol on his own, and didn't even care about him.

This made Luo Zifeng feel very shameless, his face was even more ugly, and he stared at Lin Ziming, always trying to teach Lin Ziming.

"I'm talking to you, you don't hear anything!"

Luo Zifeng was annoyed and slapped the table suddenly, very angry.

His movement attracted the attention of the people next to him, and soon they recognized Lin Ziming, and they all changed their colors.

"Isn't this Lin Ziming?"

"Oh my god, I'm not mistaken, today is Gu Hanxing's birthday, he dare to come over?"

"Mom, it's really Lin Ziming... Who are these little boys who dare to yell at Lin Ziming, are you impatient?"

"Lao Luo, see if that is your son. Why did he offend Lin Ziming?"

The middle-aged man who was called to Lao Luo looked over, his face

changed suddenly, he started to panic, and hurried over.

He had seen Lin Ziming, and now Luo Zifeng, a bastard, dare to yell at Lin Ziming and threaten Lin Ziming. This is an impatient life! Suddenly he was so scared that he lost his soul, and ran over without paying attention to his image.

“Dad, you just came here, this surnamed Lin, dare to snatch me...”

Luo Zifeng was very happy to see Luo Xiang. Now his father is here. Isn't this man named Lin a dead end? But his words were not finished yet, his old man Luo Xiang slapped him in the face and slapped him heavily on the face, “Naughty animal! Who gives you the courage, dare to be rude to Lin Dong!”

Then, Luo Xiang immediately bowed his head and apologized to Lin Ziming, “Dong Lin, please calm down your anger. Dogs don't know Taishan and offended Lin Dong. He also asked Mrs. Lin to have a lot and let Dogs go.”

Luo Xiang's fat body bowed at ninety degrees, begging Lin Ziming for mercy, big drops of sweat flowed down from his forehead, particularly frightened.

Luo Zifeng was initially very annoyed, but when he saw Luo Xiang's humble and scared look, he was immediately stunned and realized that he had caused a big trouble.
