

Chapter: 782

“You dare to come and look for me at this time, are you afraid to offend Wu Meizi?”

Lin Ziming looked at Tao Sanniang in front of him and asked curiously.

Tao Sanniang is on the trip today, wearing a very elegant evening gown, with makeup on her face. With her stunning face, hot body, and charming temperament, she perfectly shows her charm as a woman.

A woman like her, no matter where she goes, is the absolute focus.

In the distance, Ouyang Yanran kept her eyes on Lin Ziming. Now she saw Tao Sanniang sitting next to Lin Ziming, feeling a little uncomfortable in her heart.

She has always had absolute confidence in her appearance, no matter where she goes, she is a beautiful presence. But now Tao Sanniang, who appeared next to Lin Ziming, was a bit more beautiful than her, she felt unconvinced.

The appearance of Tao Sanniang also attracted the attention of many people. Lin Ziming himself is now the focus of the audience. Whoever appears next to Lin Ziming will attract great attention.

“I think you are boring here alone. Come and accompany you, can’t you?”

Tao Sanniang said with a smile.

With this smile, she radiated bright light everywhere, not knowing how many people’s heartstrings were touched.

There is no way, Tao Sanniang’s charm is too great, and there is no man who can resist her charm, and even many women will be surprised by her.

Now Tao Sanniang looked at Lin Ziming’s eyes, with a little more sadness, as if she had seen Lin Ziming’s fall.

Lin Ziming was silent for a while, and said: “You better go, I’m not sure to defeat Wu Meizi.”

Tao Sanniang smiled even more charmingly, she even held Lin Ziming’s hand on the dinner table, “Then I will stay with you even more.”

Lin Ziming was holding her hand, feeling Tao Sanniang’s determination and sorrow, Lin Ziming’s heart was severely touched!

For a long time, he thought that Tao Sanniang was a prodigious woman, and all the affection that Tao Sanniang gave him was pretended. Therefore, he has always had too many good feelings for Tao Sanniang, including the last time Tao Sanniang’s attack in the middle of the night in the hotel of the hunting competition, and the confession of the mind, did not touch him in any way.

But now, in the case of his betrayal, Tao Sanniang still stood up to accompany him resolutely. This is no longer a pretense, but Tao Sanniang’s inner voice.

Non-vegetation, ruthless Practice makes perfect?

No matter how hard-hearted Lin Ziming was and how prepared he was, he

was moved by Tao Sanniang.

This is the second woman besides Chu Fei who is willing to accompany him to death.

So Lin Ziming didn't push Tao Sanniang's hand away, but was silent for a while, and said meaningfully: "Sanniang, once I was beaten to death by Wu Meizi, you will also be affected. Is it worth it?"

Tao Sanniang smiled and said, "Is there a concept of worth in love?"

Lin Ziming's body trembled slightly, he really did not expect that Tao Sanniang would have such deep-rooted affection.

Fan Lao and the people in Yuntian Pavilion saw Tao Sanniang being close to Lin Ziming at this critical juncture, and his face became crooked with anger. Tao Sanniang was about to kill them Yuntian Pavilion!

Lin Ziming glanced lightly at Fan Lao and the others, and then said to Tao Sanniang, "Aren't you afraid of getting hurt to Yuntian Pavilion like this?"
