

## Chapter: 783

Tao Sanniang shook her head and said, "I will get rid of Yuntian Pavilion, and will not involve them."

As she said, she opened her mouth to Lin Ziming, and Lin Ziming immediately saw that there was a white capsule in her mouth, which was poison. As long as Tao Sanniang bit it, she would die.

As long as she dies, naturally she won't be burdened to Yuntian Pavilion.

"Oh, why are you doing this again!" Lin Ziming sighed and said helplessly. He had always wanted to cut off the worldly entanglement, but he didn't expect to cut it more and more.

Tao Sanniang shook her head and said: "You don't have to have any psychological burden. This is my choice. Besides, I also have my purpose. As long as you can defeat Wu Meizi this time, you won't refuse me again. With your care, my identity has changed from now on. Ascend to the sky in one step, even Yuntian Pavilion will bow to me, so this is a very cost-effective business."

Who is Lin Ziming? How could he not know that Tao Sanniang said this, just because he didn't have a psychological burden. Tao Sanniang was not taking risks at all, but she wanted to die with Lin Ziming.

Now that this is all, Lin Ziming has nothing to escape. He held Tao Sanniang with his backhand and said, "I killed Wu Meizi this time. You must have a place in Tao Sanniang in the future."

Tao Sanniang, who has always been very calm, her eyes turned red after hearing these words, she nodded vigorously and said, "Okay, I'm waiting for you."

The people in Yuntian Pavilion, seeing Tao Sanniang and Lin Ziming so innocent, I was so angry, they made up their minds, and when Lin Ziming was killed, they must draw a clear line with Tao Sanniang, and not be punished by Tao Sanniang. Tired!

At this time, I don't know who shouted, "Gu Hanxing and Wu Meizi are out!"

Everyone looked away from Lin Ziming and Tao Sanniang, looked towards the stage, and saw Gu Hanxing wearing a festive suit walking out under the stars holding the moon, and Wu Meizi was standing next to him. .

At this moment, Gu Hanxing was energetic and energetic, with a bright smile on his face, full of pride and contentment.

Seeing thousands of people coming over to attend his birthday party, his sense of accomplishment is overwhelming. In his thirty-two years, how can he have such a glorious experience!

Lin Ziming also looked in the direction of the stage. He didn't even go to watch Han Xing at all. Instead, he looked directly at Wu Meizi. There were thousands of people present. Only Wu Meizi could be seen by him.

Wu Meizi felt his gaze and looked at it instantly.

In the air, there seemed to be two invisible sharp eyes passing by, and then they slammed into each other, causing an explosion.

This is the first time Lin Ziming has seen Wu Meizi, she is really strong, much better than Gu Xuan.

This also aroused Lin Ziming's fighting spirit. The stronger the opponent, the more excited he was!

Suddenly, the audience fell silent, and everyone silently stopped talking, turning their eyes on Lin Ziming and Wu Meizi.

Gu Hanxing was giving a passionate speech with a bright smile on his face. Suddenly he realized something was wrong. There were no applause or applause. There was dissatisfaction in his heart. What happened to this group of guests, there was no wink at all.

But immediately he found something was wrong, looked down the stage, followed everyone's gaze, he saw Lin Ziming, and he couldn't help but shudder severely.

Lin Ziming actually came? !

He became scared reflexively, and he already had an instinctive fear of Lin Ziming.

Wu Meizi on the side snorted fiercely, "What are you afraid of if you have me, something you don't use!"
