

## Chapter: 787

But Gu Hanxing hid, and the Gu family behind him had no such good luck. They were hit like a bowling ball, and when the court flew upside down, they were seriously injured and screamed again and again.

More than 3,000 people present saw this scene, their scalps were numb, and they sucked in cold air. They didn't even think that Lin Ziming would be so sturdy, a bronze bell of hundreds of catties, in his hands like a Like basketball, so many people were seriously injured all at once.

Wu Meizi was finally annoyed, her eyes widened suddenly, and she shouted, "Lin Ziming, you are looking for death!"

Then she couldn't help it anymore and shot Lin Ziming directly.

I have to say that Wu Meizi's cultivation is really incredible. With her shot, Lin Ziming felt that her eyes were dark, as if the sky was torn and collapsed. If Lin Ziming had been replaced before he defeated Gu Xuan, he would have been unable to bear this move, his spirit would be affected, and he would be defeated instantly.

Wu Meizi's cultivation is so high that it can cause mental interference to masters in the Innate Realm, which is appalling!

Fortunately, after the battle with Gu Xuan, Lin Ziming's strength has been greatly increased, otherwise he will be beaten to death by Wu Meizi now.

Almost in an instant, Lin Ziming returned to normal. Faced with the palm Wu Meizi slapped over, Lin Ziming had no choice but to take it hard. First, he stepped back two steps to avoid his edge, and waited for Wu Meizi's momentum to weaken. Halfway through, he slammed again and punched Wu Meizi in the ribs.

Wu Meizi snorted coldly. Her eyes seemed to have turned black now, very terrifying. From an unexpected angle, she suddenly kicked Lin Ziming to death.

And Lin Ziming didn't let her succeed. He immediately changed his moves. Within a second, he collided with Wu Meizi three moves. The speed was so fast that it could be said to be extremely fast, and it was overwhelming.

And all the furnishings around them, tables and chairs, were shaken to fly around, as if they had explosives on them, and some of them burst apart.

"It's a fight, it's a fight!"

"It's wonderful! Is this the hands of a master of Innate Realm? This is no longer a human being!"

"Ask about the Innate Realm, who is also known as an extraordinary master, I'm kidding you! I think people in this realm are called superhumans in the West, just like the superheroes in the movies."

"This is too fierce. It's worth seeing the life and death of two masters of the innate realm in this life!"

"If I had this state, that would be great..."

“You? Wake up...”

More than 3,000 people at the scene began to get excited, and many of them even took out their mobile phones to record videos.

It's a pity that Lin Ziming and Wu Meizi's speed is too fast. Many of their actions have exceeded the level that the naked eye can catch, and their mobile phones are not professional equipment, so they can't be seen clearly when they are recorded.

Lin Ziming finally felt the horror of Wu Meizi. The two Gu Xuan together were not as good as one Wu Meizi. No wonder so many people were afraid of Wu Meizi, and a single phone call allowed them to draw a line.

“Lin Ziming, your strength is indeed beyond my expectation. Given time, I really may not be your opponent. But today, you will definitely die!” Wu Meizi stopped and opened up a dozen meters with Lin Ziming. Distance, the two looked at each other.

Lin Ziming smiled, and he said: “Wu Meizi, as a master of the innate realm, you actually attacked a bunch of ordinary people. No matter how high your cultivation is, it's just a rubbish! I can kill your old friend Gu Xuan. , Can also kill you.”

Speaking of Gu Xuan, Wu Meizi was furious, “Lin Ziming, you killed my senior, you have a capital crime!”

“Want my life? Okay, come and get it if you have the ability! Hahahaha...”

Lin Ziming laughed loudly. At this moment, he was free and unrestrained and heroic, as if he was a generation of sword fairy in ancient times, and he was extremely charming.
