

## Chapter: 789

“Good job!”

Lin Ziming roared loudly, and then began to fight back, fighting with Wu Meizi reservedly.

Their moves are extremely sophisticated and fast, many times more sophisticated than those in martial arts movies.

Bang bang bang bang...

As they moved, jumped, and collided with various fists and feet, all kinds of shocking fist-to-flesh sounds occurred in the audience, which made blood spurt.

Some ordinary people with insufficient eyesight can't follow in their footsteps at all.

Boom!

Wu Meizi moved her right palm up to the top of her head, and then turned it down again. With such a simple action, it seemed that the heaven and the earth had been subverted. The sky was below and the ground was above. Then she took this piece of China's land and moved towards Lin Ziming's body was pressed down, much more domineering than the myth that the Tathagata Buddha Five Finger Mountain pressed Sun Wukong, Wu Meizi is now using the entire continent to suppress Lin Ziming.

Facing this trick, Lin Ziming felt an unprecedented sense of crisis. He subconsciously wanted to retreat, and he had the idea that he couldn't bear it. But between the sparks of light, he already has no room to retreat, because he knows that once he retreats, then he will fall into the wind, and in front of a super master like Wu Meizi, he will fall into the wind. It means defeat, and the end of defeat is death!

So Lin Ziming made the fastest and most correct decision at the moment of his death, and that was to punch Wu Meizi's mainland China with a punch from his chest.

Now he is the God of War Xingtian. Facing the suppression of heaven and earth, he is unyielding and unwilling, and roars out his own resistance. Even if it is heaven, I will poke a hole for you, and I will destroy the earth!

boom!

Almost instantly, Lin Ziming's punch hit Wu Meizi's palm, and it seemed that he was taking advantage of it.

But he still suffers, because Wu Meizi's hand has been brewing for a long time, and brought the earth-shaking, a piece of earth that suppresses Lin Ziming's smell, and Lin Ziming hastily fought back, naturally not as powerful as Wu Meizi's. of.

puff!

So Lin Ziming spouted a mouthful of blood, and Wu Meizi's palm hurt him, mainly because Wu Meizi's aura was too strong.

“Oh my God!”

“Ziming!!!”

In the crowd, Tao Sanniang and Ouyang Yanran both yelled out loudly. They were extremely nervous when they saw Lin Ziming was injured. Tao Sanniang’s eyes were red, almost crying.

As for Gu Hanxing, he was so excited that he couldn’t hide the smile on his face. He kept yelling, “Uncle Shi killed him, killed him! Hahahaha...”

Some surprises flashed in Wu Meizi’s eyes, but she did not expect that Lin Ziming could still catch her hand. You must know that this hand is one of her killer features. Even if Gu Xuan is here, she will be She suppressed it.

And once the scene of suppression, her brain was smashed.

“Lin Ziming, you are defeated.” Wu Meizi sneered, without any pause, and began to attack Lin Ziming more fiercely.

Lin Ziming’s gaze was neither happy nor sad. At this moment, he seemed to have suddenly lost his soul and became a sentimental machine.

In the face of Wu Meizi’s crazy offense, he can only parry.
