

Chapter: 797

Taking advantage of this week, she still couldn't take Lin Ziming down. Seeing Lin Ziming sleeping soundly, she didn't wake Lin Ziming, but she lightly carried Lin Ziming on her back and started walking towards the villa. Don't think she is a female generation, but she also has the strength of a master realm anyway, ten or eight big men can't beat her, now carrying a two hundred catties less than Lin Ziming, it is not a matter of giving away lightly.

Lin Ziming's breath hit her ears on her back, making her particularly excited and shy. It was warm and warm, and the slight itch made her feel it all at once, especially Lin Ziming. The male hormonal aura on her body made her want to stop even more.

Finally, she carried Lin Ziming back into the villa and put it directly on the bed. Seeing Lin Ziming asleep, she was particularly happy and satisfied. While Lin Ziming was asleep, she leaned over and stayed at Lin Ziming's On the lips, I gave it a kiss.

Now Lin Ziming is very embarrassed. Not only is his body very dirty, but his clothes are all broken. He must take a bath and change into new clothes. Tao Sanniang thought for a while, she tried to call Lin Ziming softly, and found that Lin Ziming was asleep very hard and couldn't wake up at all. It seemed that she had fallen into a state of 'sleep'. So she decided to take a bath for Lin Ziming herself!

This thought came out of her mind, which made her extremely excited, and her pretty face flushed.

She carried Lin Ziming to the bathroom again, adjusted the hot water, and then took a deep breath to show that she was undressed, only wearing underwear, and then helped Lin Ziming undress.

Don't look at her usually coquettish appearance, but in fact, she is still a big girl, and she has never been so intimate with any man, let alone frankly opposed.

Now she saw Lin Ziming's figure, that perfect figure, and her breathing started to be abnormal.

Lin Ziming usually wears clothes, but she still can't see how perfect Lin Ziming is. Now that she is honest with each other, she can see the true charm of Lin Ziming.

At this moment, she even started to be jealous of Chu Fei, she could have possessed Lin Ziming for so long!

But she still didn't forget the business and started to help Lin Ziming take a bath, but in the middle, she couldn't help doing something bad to Lin Ziming.

Lin Ziming slept very hard, she thought Lin Ziming didn't know, but Lin Ziming probably knew it. It's just that he is too overdrawn now, he just

knows and can't react, helpless!
at the same time.

A few tens of meters away from Tao Sanniang's villa, wearing a red neon dress, she withdrew her gaze from Lin Ziming and Tao Sanniang, a little irritation flashed in her eyes, she whispered a vixen, and then she fluttering down from the tree, he walked over to a black Mercedes-Benz Maybach on the side of the road.

The ugly master drove her the door and said respectfully: "Master Nishang, are we sure we don't need to pick up the young master?"

There was another shyness flashing in Ni Chang's eyes. She was a very icy and clean person. She was still in perfect shape after living with such a thought, mainly because she had never seen a man's body. Just now on the tree, through the window, and seeing the picture in the bathroom, her heartbeat speeded up and she felt ashamed.

As Lin Ziming's godfather sister, she actually saw Lin Ziming's body, it was really fitting!

"No, he doesn't know how to moisturize it now!" Nishang gritted his teeth, and then went into the car.

The ugly master was taken aback, is Master Nishang shy?
