

## Chapter: 798

Wu Meizi died, dying in the hands of Lin Ziming, this message spread like a tornado throughout the province G.

For a time, Lin Ziming's reputation reached an unprecedented level.

Those who originally chose to draw a clear line with Lin Ziming because of Wu Meizi's warning are now not only regretting, but more afraid, for fear that Lin Ziming will settle accounts after the fall and look back for their troubles.

So they can't wait to find Lin Ziming to confess and admit their mistakes.

Unfortunately, they couldn't find Lin Ziming at all, and now Lin Ziming has disappeared. This makes them more panic and uneasy...

As for where is Lin Ziming?

He was still here with Tao Sanniang, and he slept for two days and two nights, 48 hours.

In the battle with Wu Meizi this time, the overdraft was too serious, and he was almost into a demon. If Tao Sanniang hadn't awakened him in time, he might have gone crazy now.

In these two days and two nights of deep sleep, his injuries have been constantly repaired, and now he wakes up, he is much better.

Opening his eyes, he was stunned for a moment when he saw the scene in front of him, and soon felt something was wrong...

This is not his room!

And this bed is very soft, the bed in his house is not so soft.

Then, Lin Ziming felt that there was a person lying beside him, hugging him tightly, with his thigh still on his lower abdomen.

The worst thing is that he felt that he didn't wear clothes, and the other party was in the same state. He could clearly feel the touch of the skin on the blind date.

In an instant, his muscles tightened, and his breath was suddenly held.

He turned his head and looked around, and suddenly saw a beautiful face, it was Tao Sanniang! !

Could it be that this is Tao Sanniang's home, and Tao Sanniang didn't even send him back to Yulong Bay?

by!

This is over.

Lin Ziming had a headache in an instant. Seeing this, it seems that Tao Sanniang has done him well.

Alas, my wife, I can't help you. I didn't think that everything would be defensive or not. I was succeeded by Tao Sanniang this fairy.

He was particularly helpless when he thought of what Tao Sanniang gave him when he was in a coma.

At this moment, Tao Sanniang uttered a cry, and she awoke. She stretched out her hands and stretched her waist. Lin Ziming's face was red and her heartbeat quickened a lot.

It has to be said that Tao Sanniang's figure is really awkward, and it is not worse than Chu Fei, she is an absolute stunner.

Faced with this situation, Lin Ziming was also very confused. He didn't know what to do for a while. Should he continue to pretend to sleep? Still questioning what Tao Sanniang did to herself?

Tao Sanniang opened her eyes and looked at Lin Ziming. In an instant, she blushed, "You, wake up."

Lin Ziming nodded, he was also quite embarrassed, with a thin face, and said, "When is it now?"

The best way is to pretend that nothing happens.

Tao Sanniang talked about the time, and Lin Ziming was a little surprised when she heard it, feeling that she has been in bed for two days and two nights?

Isn't Chu Fei very worried?

Tao Sanniang saw his expression, guessed what he was trying to say, and said, "Don't worry, I have already talked to your wife on the phone, so she doesn't have to worry."

"What?!" Lin Ziming immediately rounded his eyes. What the hell is this? Chu Fei already knows, then he is going to die!
