

Chapter: 799

“You! I...hey! Didn’t I ask you to send me back to Yulong Bay? You...I’m going to be done!” Lin Ziming slapped his forehead suddenly, his face full of lifelessness. Can be loved.

Tao Sanniang said with a smile, hooked her arms around his neck, and said with a smile: “Don’t worry, your wife is not angry, let me take care of you.”

Lin Ziming was held by Tao Sanniang like this, feeling her overly hot figure, and immediately tightened, “Can you let me go first?”

“No!” Tao Sanniang acted like a baby, twisted her body, and pouted: “Now I am your woman. You can’t abandon me, or I will tell your wife to go.”

Lin Ziming had to smile wryly.

Now if he wants him to push Tao Sanniang away and say harsh words to Tao Sanniang, he really can’t do it.

He had to sighed and said, “Tao Sanniang, why are you doing this? I already have a married woman. You have such good conditions, and you can find anything better than me...”

Lin Ziming could not go on, because his mouth was blocked by Tao Sanniang.

“I don’t care, anyway, I have already identified you in my life, don’t want to abandon me!” Tao Sanniang said firmly, and then her expression softened a lot, and said: “Actually, you don’t need to worry, I just want to be by your side. That’s it, I don’t want any status.”

Lin Ziming’s lips moved, and he could feel Tao Sanniang’s affection for him, who can be ruthless, but now, it is impossible to say that Lin Ziming has a little affection for Tao Sanniang.

It’s just that he has too many things on his back now, and Tao Sanniang is also a risk to follow him.

But now that Tao Sanniang has already said this, it would be too cold-blooded for Lin Ziming to refuse any more. He sternly said, “Sanniang, my identity is not as simple as you imagined. I will face it in the future. An enemy that is more powerful than you imagined, if you are not careful, you will end up forever! If you really follow me, then you also have this risk.”

Tao Sanniang was stunned for a moment. She didn’t expect Lin Ziming to tell her about this. With Lin Ziming’s current status and strength, she seemed to have become a master, so many people would rely on Lin Ziming’s breath.

There are enemies like Lin Ziming?

Lin Ziming saw her silent, smiled, pushed her away and said, “I should go back.”

Tao Sanniang came back to her senses, her eyes showed unprecedented firmness, and then she hugged Lin Ziming tightly, and said, “Ziming, I am

serious. No matter the future is the sword, the sea of fire, the world is falling apart, I will always follow. You, life is your person, death is your ghost.”

Lin Ziming was stunned. He had no idea that Tao Sanniang would have such deep-rooted affection.

But think about it carefully, Tao Sanniang’s performance at Gu Hanxing’s birthday party, under the pressure of Wu Meizi, Yuntian Pavilion and others, chose to come and accompany him. It is not surprising that Tao Sanniang could say such a thing.

“Okay!” Lin Ziming put Tao Sanniang in his arms, and now that he has nothing to do with hypocrisy.

Through the two days of rest, Lin Ziming has already recovered a lot, recovered half of his physical strength, and his injuries have slowly recovered. In just a few days, he will be able to fully recover.

After he got up, he immediately called Chu Fei to keep her safe.

Fortunately, on the phone, there was something strange about Chu Fei, which made Lin Ziming breathe a sigh of relief. He couldn’t help but think of what Chu Fei had said to him before, is it possible that Chu Fei really doesn’t mind being in front of him. Have a woman?

Then Lin Ziming called Wang Shougui. Wang Shougui received his call. He was very excited and relaxed. It turned out that for the past two days, Wang Shougui and Han Jinlong have been worried about whether something happened to him. After all, Lin Ziming had never lost contact like this before.

Then Wang Shougui told him that during this period of time, many people came to him and wanted to apologize to him and gave him a lot of generous gifts.

Lin Ziming had already guessed this, and there was no surprise.

Finally, after confessing something, Lin Ziming hung up the phone.

Just when Lin Ziming hung up the phone and was about to say goodbye to Tao Sanniang, she suddenly heard Tao Sanniang’s excited voice from the room: “Mom! How many times have I told you, I don’t Maybe going back on a blind date, let alone marrying Lu Fan... Tell you the truth, I have already found a boyfriend! Mom, can you tell me something... Don’t be impulsive, I will go back now...”

Lin Ziming saw Tao Sanniang very upset and helpless, and asked, “What’s wrong?”

Tao Sanniang said: “It’s not my mother yet. For fear that I won’t be able to marry me, I have been arranging blind dates for me. I don’t know how many I have refused. Going back. If I don’t go back, she still threatens me with death, alas...”

Suddenly, Tao Sanniang thought of something, her eyes lit up, and she said, “Ziming, why don’t you accompany me home! As long as they see me find

a boyfriend, they won't force me to go on a blind date!" "

Lin Ziming was stunned, Tao Sanniang had already entangled him...
