

## Chapter: 800

Under Tao Sanniang's various coquetry, Lin Ziming couldn't bear it, so he had to agree.

However, he first went back to Yulong Bay and reported safety with Chu Fei's family, then went to find Wang Shougui and Han Jinlong, and simply showed up and told everyone that he was okay.

Hearing the message he appeared, many people immediately came to him, sent generous gifts, apologized, and flattered.

Lin Ziming didn't even care about this. These people are all clueless. This time because Wu Meizi has drawn a line with him, the next time he encounters the same thing, he will also choose to betray him.

Of course, Lin Ziming would not choose to offend them. He had to have the necessary airs. Lin Ziming let them dry for a while, and when the time came, he would just accept their flattery.

Lin Ziming has now defeated Wu Meizi and has become the most popular person in G province, but no matter how powerful he is, he still cannot offend everyone. If he wants to continue to develop and grow his strength, he must continue to make friends. Friends, no matter when, one more friend is always good.

After explaining everything, Lin Ziming and Tao Sanniang returned to her home.

Tao Sanniang's hometown is not in Hwaseong and Fengcheng, but in Yuancheng, a place with a good climate and a very suitable place to live.

Speaking of it, it was the first time Lin Ziming came from the source city. He had a good impression of seeing this beautiful scenery.

Tao Sanniang was in a good mood, she was a flying magpie, holding Lin Ziming's arm all the way.

Lin Ziming was infected by her happiness, and her mood relaxed a lot.

"Is this your hometown?" Lin Ziming asked, looking at the peaceful town in front of him.

"Yeah, how about it, isn't my hometown very beautiful?" Tao Sanniang raised her head and said triumphantly.

Lin Ziming nodded and said, "Yes."

After getting out of the car, Tao Sanniang held Lin Ziming's hand intimately, and said proudly: "Of course, we have great people in Yuancheng, and there are so many beautiful women."

This Lin Ziming approves of it, and when I look at it, I see many beautiful beauties with good looks.

Of course, compared with the big beauties of Tao Sanniang's level, they are still a lot inferior.

At this moment, a surprised voice came from behind: "Sanya, is that you?"

Tao Sanniang heard the voice, looked back, saw an old man, and said in

surprise: "Second Uncle, it's you."

The old man saw Tao Sanniang and smiled happily, and said, "You girl, I haven't come back for so long. Second uncle thought you were missing."

Then, the old man saw Lin Ziming next to Tao Sanniang, and he was still holding his hands. His face changed a little immediately, and he asked in a deep voice, "Sanniang, who is this one next to you?"

Tao Sanniang said with a smile: "He, it's my boyfriend. Didn't Mom always worry that I could not find a partner? Now I have brought my partner back."

The second uncle was not smiling, but his expression became more serious. Instead, he said: "Sanyatou, come with your second uncle."

"What's wrong, Second Uncle?" Tao Sanniang had a bad feeling when she saw her second uncle's serious look.

The second uncle pulled her aside, and said in a deep voice: "I said Sanya, why are you bringing your partner back at this time? Your mother has given you a blind date. The conditions are particularly good, waiting for you at your house. Go back! Now that you took a man back, didn't you slap someone in the face!"

They walked aside, Lin Ziming still heard clearly.
