

Chapter: 805

The other Tao family members were also stunned and completely shocked. They had never heard of the eight million diamond necklace.

Lu Fan smiled so hard that he couldn't see his teeth, waved his hand, and deliberately made a very indifferent look, and said, "Yes, eight million, it's just so-so, it's not too expensive, the valuables are still behind."

Hearing Lu Fan's words, the eyes of all the Tao family members looking at Lu Fan became even more fiery. There were a few single women who wished to turn into three peach mothers and marry Lu Fan on the spot to become a young grandmother.

Lu Fan had already anticipated that Tao Sanniang would be very surprised, so excited that she was incoherent, and even threw herself in his arms. Just use this set, he doesn't know how many women have conquered, haha.

However, when he turned his gaze over, he found that Tao Sanniang's expression was very cold, not a little fluctuating, let alone excitement.

Ok? What's the situation? How could Tao Sanniang's reaction be so calm? Is Tao Sanniang not interested in diamond necklaces?

impossible!

Lu Fan soon abandoned this idea. Even if Tao Sanniang is not interested in diamond necklaces, the value of 8 million is not something that anyone can resist!

Then there is only one possibility, Tao Sanniang pretended to pretend to be trying to catch it.

Thinking of this, Lu Fan raised his mouth again, revealing an intriguing smile, and personally gave the diamond necklace to Tao Sanniang, making his most handsome expression, and said: "Yu Rong, let me put it on for you."

However, Tao Sanniang took a step back and said coldly: "I think it's better to forget it, I can't afford such a precious gift."

Lu Fan also thought that Tao Sanniang was pretending to be reserved, and said with a smile: "Yu Rong, this is my heart for you. Although this diamond necklace is worth eight million, it is far inferior to me. You're sincere, don't refuse my kindness, okay?"

With that said, Lu Fan was going to walk over again and put it on Tao Sanniang himself. When he approached, he smelled the perfume on Tao Sanniang, and he was particularly intoxicated and even reacted!

At this moment, a tall figure stood up and blocked him.

Who else but Lin Ziming?

"Have you ever heard Yu Rong say not to accept your gift?" Lin Ziming said lightly. He was half a head taller than Lu Fan. He looked down at Lu Fan and put a lot of pressure on Lu Fan.

Lu Fan was in front of Lin Ziming. He frowned slightly, a little unhappy,

and said with a slight dissatisfaction to Peng Yulu, “Auntie Peng, who is this?”

Lu Fan’s expression is just to express a meaning, who is this guy, so ignorant, dare to block his way.

Peng Yulu’s face was pulled down, she believed that Lu Fan was his son-in-law, and she was naturally a thorn in Lin Ziming now, and in her opinion, Lin Ziming was an ordinary white-collar worker who could not make a lot of money in a year. , Totally unworthy of her daughter Tao Yurong!

“He is Yu Rong’s colleague.” Peng Yulu quickly explained, then stared at Lin Ziming displeasably, forcing Lin Ziming to roll aside quickly.

At this time Tao Sanniang spoke. She was very happy and moved by Lin Ziming’s willingness to take the initiative to come out. She immediately took Lin Ziming’s hand and leaned her head on Lin Ziming’s shoulder, and said sweetly, “He is called Lin Ziming. Ming, it’s not my colleague, but my boyfriend. We have a very good relationship and have been living together for a long time. So Lu Fan, you should put away your eight million diamond necklace.”

In an instant, Lu Fan’s face turned gloomy, it was hard to see the extreme, and the corners of his mouth couldn’t help but twitch.
