

## Chapter: 806

Tao Sanniang's words were like a slap in the face, slapped heavily on Lu Fan's face!

He heard that Tao Sanniang was coming back, deliberately rushing over from the city, and brought a valuable gift to meet, but Tao Sanniang told him that he already had a boyfriend, and he had lived together for a long time. This is not just to slap him in the face. what?

When has Lu Fan been so angry?

The Tao family members in the room became nervous and panicked when they saw Lu Fan's expression, and they hated Tao Sanniang to death.

Lu Fan said to Peng Yulu with a cold face, "Auntie Peng, didn't you say Tao Yurong is single, what's the situation now! You must give me an explanation!"

Everyone could tell that Lu Fan was completely angry and furious!

Peng Yulu's scalp numb immediately, and she quickly explained, "Master Lu, don't be angry. This is a misunderstanding. Yu Rong is indeed single, and she is still in perfect condition. What I said just now was deliberately teasing you."

Then she stared at Tao Sanniang fiercely and asked Tao Sanniang to explain, her eyes full of threats.

Tao Sanniang has already given up, she said: "I am not teasing him, Ziming is really my boyfriend. Mom, haven't you been urging me to fall in love and bring the object back for you to see? Now I will bring it back. Now, his name is Lin Ziming, from Hwaseong."

After speaking, she still kissed Lin Ziming on the cheek, deliberately angry with Lu Fan.

Lu Fan was suddenly very angry, his face turned green, he clenched his fists and gritted his teeth.

"Well, you Taoists are awesome, even I dare to play! Okay, I know, you guys wait for me!" Lu Fan roared angrily, and then he was about to leave.

His angry look scared all the Tao family members, Tao Sanniang also frowned, the pressure flashed with some worry.

No matter how she dislikes Lu Fan, it is undeniable that Lu Fan is indeed the nephew of Yuancheng City Lord, and his background is not small. If Lu Fan is offended, the Tao Family's life in Yuancheng will be difficult.

She could go back to Huacheng with Lin Ziming. No matter how powerful Lu Fan was, she couldn't threaten her, but she couldn't hurt the Tao Family.

"Master Lu, Master Lu, this is a misunderstanding, misunderstanding, you must not take it seriously."

"Yes, Mr. Lu, Sanya's mind is burnt. Your lord has a lot of things. Don't be familiar with her. Our Tao family intends to marry you with Mr. Lu..."

"Lu Gongzi, we didn't know Tao Yurong would call a man back. Our Tao

family didn't trick you on purpose.”

“That's right, what is your identity, Master Lu, even if you give us a hundred courage to the Tao family, you won't dare to play with you!”

The Tao family members in the room begged for mercy one by one, particularly panicked.

Peng Yulu also stood up and said: “Lu Fan, it is convenient to give auntie a little bit of face. Would you like to say a few words?”

When Lu Fan saw so many Tao family members begging for him, it did not look like the Tao family was trying to play him. His anger was mostly dissipated. At this time, when he heard Peng Yulu's request, he thought for a while and nodded in agreement. Come down.

After walking to the side, Peng Yulu said, “Lu Fan, who is the aunt? I believe you know well. Auntie deliberately recruited you to be a son-in-law, so how could she fool you? What happened just now was indeed a misunderstanding, aunt I don't know that Yu Rong brought a man back.”

Lu Fan snorted and said, “Aunt Peng, it's not that I don't give you face. I saw your daughter's attitude just now. I came here very sincerely to marry her, but in the end she brought a man back. , I also said that I have been living together for a long time, and my body is not clean! If this spreads out, where can I put Lu Fan's face?”
