

Chapter: 809

“You don’t have any hands on it, right?”

After Tao Sanniang came over, she asked Lin Ziming worriedly.

Lin Ziming shook her head and said that there was no such thing. Tao Sanniang breathed a sigh of relief. She knew Lin Ziming’s horror. Once Lin Ziming did it, the more than twenty people in this house, tied together, were not enough for Lin Ziming to punch.

However, they didn’t know the truth yet, and pointed to Lin Ziming and said, “If you are lucky, Sister Yu Rong has come out, otherwise you will feel better!”

Lin Ziming was still very helpless about this.

Tao Sanniang glared at the few people fiercely, and cursed: “You are impatient, right? Fortunately, you don’t have any hands on it, otherwise the gods won’t be able to save you!”

“Cut, ghost letter.”

“Sister Yu Rong is bragging.”

“Just this Lin, I can hit ten with one hand.”

Those young Taoists all expressed their disdain and laughed again and again. But Tao Sanniang was very angry, and at the same time she felt even more guilty of Lin Ziming. She didn’t expect to encounter such a thing when she came back this time. With Lin Ziming’s current status and strength, it was really too much to run here to get angry. I’m wronged by Lin Ziming!

Tao Sanniang held Lin Ziming’s hand, apologizing, and said softly: “I’m sorry Ziming, I’ve made you wronged.”

Lin Ziming smiled and said, “If I have been wronged, you just need to handle your affairs.”

“Hmm!” Tao Sanniang showed a happy smile and nodded vigorously.

Lu Fan on the side, seeing them so affectionate, didn’t put him in his eyes at all, his face was crooked with anger, and he gritted his teeth.

Peng Yulu walked over and said, “Yu Rong, Mom doesn’t make it difficult for you. Tell me about the man next to you, what does he do and how much money he can make in a year? Don’t blame mom for reality, your dad left early. It was Mom who worked so hard to bring you to such an age, and it’s time for Mom to retire and enjoy the blessing!”

Tao Sanniang said: “Mom, don’t worry about that. Ziming is the chairman of the three major companies in Huacheng, with a net worth of over 10 billion. There is absolutely no problem with supporting our family.”

Everyone was stunned for a moment. They didn’t expect Tao Sanniang to say something like this. The chairman of the three big companies has a net worth of over 10 billion. What kind of concept is this!

Lu Fan immediately sneered disdainfully, “Haha, Yu Rong, I said you have to find someone reliable if you are joking! Just like him, he is the chairman

of three big companies? Are you worth more than ten billion? When are we all fools?”

After Lu Fan said this, everyone else came to realize that, yes, Lin Ziming is so ordinary, at first glance it is a hanging silk, not a little extravagant, compared with Lu Fan, how can such a person be worthy The big boss over tens of billions!

Peng Yulu’s face sank, and she said, “Tao Yurong, mom is serious about you, don’t laugh at me! Come on, what does he do, let me tell you, mom’s requirements are not low, if one year Mom doesn’t look down on those who earn less than ten million!”

Tao Sanniang said, “Mom, what did I lie to you for? Lin Ziming is really the big boss. If you don’t believe me, you should call and ask friends in Huacheng. The main name is Lin Ziming, you must know all of them.”

Seeing Tao Sanniang’s determination, Peng Yulu was a little shaken, is it possible that this guy who looks so ugly is really a big boss?

Just when she was about to make a call, Lin Ziming frowned suddenly, looked at the door, and said to Tao Sanniang, “Someone is here, does your Tao family have enemies?”

Tao Sanniang was taken aback, and said, “There is no such thing...”

However, as soon as her voice fell, she heard a loud bang, the door was violently kicked open, and a group of people walked in from the outside.
