

Chapter: 814

Huh, everyone looked at Lin Ziming.

Tao Sanniang was stunned for a moment, and then became excited. Yes, why did she forget Lin Ziming? With Lin Ziming, is she afraid that she won't be able to keep the Tao family?

As for Peng Yulu and others, it was a completely different reaction. Their expressions changed drastically, thinking that Lin Ziming was completely dying and was going to kill them!

Peng Yulu cursed immediately: "Hey, you are looking for death, dare to talk back to President Ding?!"

Then she immediately said to the man in the suit and sunglasses: "President Ding, this person is not from our Tao family, and has nothing to do with our Tao family."

The other Tao family members also quickly separated their relationships. Think that Lin Ziming is the star of the dead, for fear of being affected by Lin Ziming.

Tao Sanniang was very annoyed when she saw this scene, and felt ashamed of having such a family.

Lu Fan, who was screaming on the ground, saw Lin Ziming dared to jump out and pretend at this juncture. He was immediately happy. He thought that Lin Ziming was really a fool. ?

He had already seen Lin Ziming kneeling down and begging for mercy.

President Ding looked at Lin Ziming. He didn't know why, but Lin Ziming felt familiar, as if he had seen him somewhere.

"Who are you? I really think that Ding Yan is a good person, and I won't kill you!" The man in the suit and sunglasses became impatient. He is a big man who came to catch Tao Ziqiang himself. It is considered to be surrendered. He also dared to stop him, which made him very unhappy.

A group of Tao people in the room all gloated and thought that Lin Ziming was dying. He was really an idiot. There was a big man in front of him who even the lord of the city would respect, and Lin Ziming even dared to come out and pretend.

Lu Fan couldn't help but laugh out loud.

Lin Ziming smiled at this, he said directly to Ding Yan: "My name is Lin Ziming, and your boss should know me."

"Haha, it's funny to me. Just your virtue, you dare to speak up about my boss...wait a minute!" Suddenly, Ding Yan realized something, he opened his eyes and looked at Lin Ziming, "You What was your name just now?"

"Lin Ziming." Tao Sanniang said from the side, squinting, "Why, you were there at Gu Hanxing's birthday party the other day?"

"Fuck!"

Hearing this, Ding Yan immediately shook his body, his eyes widened, and

he remembered instantly that Lin Ziming in front of him was the master who killed Wu Meizi in front of more than 3,000 people a few days ago!

For a while, his legs felt a little weak.

He was not there that day, but he had a friend there. He also watched the video taken by his friend yesterday. It was very vague, but it was roughly recognizable. The young man in front of him was Lin Ziming! No wonder he looked familiar to Lin Ziming just now.

Wu Meizi is already a sideways existence in Province G. His boss has to be respectful when he sees Wu Meizi, but Lin Ziming is a terrifying existence that killed Wu Meizi!

The transcendent masters of the innate realm, what is transcendent, is transcendent and otherworldly, they have been separated from the level of mortals.

Even though he was very prestigious just now, even the city lord Lu Yingjie was in awe, because Lu Yingjie had the handle in his boss's hands, and he was a dead end if he dared to offend his boss.
