But the Lin Ziming in front of him is now the person who is going to fudge in the entire province of G. Just the day before yesterday, his boss told him that Lin Ziming is an absolute genius, and his future is boundless, and he has to fudge in every way he can. As a result, he met Lin Ziming now. And it seems to be very young indeed!

“Lin Linlin, Lord Lin, is it you? Xiaoding has eyes but no knowledge of Mount Tai. He didn’t recognize Lord Lin. He also asked Lord Lin to forgive him and forgive him!” Ding Yan’s feet were weak and full Face panic, apologize to Lin Ziming.

There was a boom.

Everyone in the room was stunned when they saw this scene, thinking that they had hallucinations, and Mr. Ding, who was so egg-blooded with the city lord, actually panicked like this in front of Lin Ziming? really!

The smile on Tao Sanniang’s face couldn’t be suppressed, she was especially happy and proud. Lin Ziming was her man. The more beautiful, the more face she would be.

Lin Ziming nodded lightly and said, “I can’t tell that you still know me. You were there that day?”

Ding Yan swallowed. He is both nervous and excited now. This man in front of him is the most popular Lin Ye in the province! Even Gu Xuan, Wu Meizi, such an invaluable master, died in the hands of Master Lin. It was amazing to think that he would still be able to see him!

“No, no presence, but I later watched the video taken by a friend who went to the scene, and was fortunate to witness your demeanor Lin!” Ding Yan boldly took two steps forward, bent over, and put his posture down. At the lowest point, he said, “Master Lin, I am your fan. Can you sign me?”

Lin Ziming was a little stunned. He didn’t even think that Ding Yan would let him sign. It was strange, but he could understand that with his current reputation, he was even bigger than an international star in the top class. , I don’t know how many people line up to flatter him.

He waved his hand and said, “It’s fine for the signature. Give me a face on this matter today. Let me put it aside first.”

Ding Yan is not stupid, he immediately realized that the feelings of Master Lin and Tao Family are related! He quickly found Tao Sanniang who was holding Lin Ziming’s arm, and probably guessed that Tao Sanniang was from the Tao family.

So he couldn’t help breaking out in a cold sweat. Wouldn’t he offend Master Lin?

He hurriedly said: “Lin Master calmed down. I didn’t know that the Tao family was related to Master Lin. If I knew that, and gave me a hundred

courage, I would not dare to come up to the Tao family to coax him! Since Tao Ziqiang is from Master Lin, then Even if Tao Ziqiang owes me the money, there is no need to pay it back, ho ho.”

When these words were said, many Tao family members were immediately dumbfounded, and Tao Ziqiang’s brain burst and was exploded, surrounded by huge ecstasy, his eyes flushed in excitement, and he gasped for breath!

Because of this incident, in the past six months, the people who tortured him were not like people, and ghosts were not like ghosts. Many times he had thoughts of suicide. It was his family and children that gave him the meaning of living.

And now, Lin Ziming’s words have solved his huge trouble!

In an instant, tears burst into his eyes, and his whole body was shaking violently with excitement.

As for Peng Yulu, she was also stunned, completely shocked, she never thought that the object Tao Sanniang brought back with such a big background would wipe out the debt of 100 million in one sentence!

Lin Ziming answered immediately, but looked at Tao Sanniang and said with a smile: “What do you think? Do you want to sell him a face?”

Ding Yan was originally very excited, but when he heard Lin Ziming’s words, his scalp was numb and cold sweat broke out. He is a wise man, and he can’t hear it. Lin Ziming means that he doesn’t have to let it go. He just made things difficult for the Tao family.

Without hesitation, he knelt in front of Lin Ziming, slapped himself on the face, and confessed: “Master Lin, it was my fault just now. I did not investigate the relationship between the Tao family and Master Lin beforehand. It was offensive. Tao family, damn me! Please also Master Lin to have a lot, forgive me this time!”

After speaking, Ding Yan plopped his head.

A group of men in suits behind him also knelt down, and the scene was extremely shocking for a while.
