

Chapter: 816

Tao Sanniang was stunned. She didn't even think that Lin Ziming would tell her this way, whether she wanted to teach Ding Yan a lesson or not. Lin Ziming regarded her as her own!

For a while, she was so moved that her nose became sore, her eyes turned red, and she had the urge to cry.

She was a native of Yuancheng. She ran to Hwaseong to work hard at the time. By chance, she was found by her master. She went to the teacher's door, learned a charm technique and returned. She climbed step by step in the Yuntian Pavilion, surrounded by her. There are countless men, but these men are all to possess her.

She tried her best and stayed beside these men, still keeping her innocence. No one knew how much effort she had put in and how empty she was. When she thought about getting a man's protection, she didn't need her to do so. It's hard work.

This man never showed up until she met Lin Ziming, the first man who coveted her beauty, and then, through several contacts, she was totally unreasonable and fell in love with Lin Ziming without warning.

Finally, through her efforts, Lin Ziming accepted her, and now that Lin Ziming's care and care for her really penetrated her heart, the tear glands suddenly collapsed, and tears flowed out of her eyes.

Her reaction shocked Lin Ziming, and quickly said, "Hey, Sanniang, what's wrong with you? Are you angry with this surname Ding! Don't worry, I won't let you go for nothing. Aggrieved."

Lin Ziming's smile immediately faded, and his eyes looked at Ding Yan coldly, full of anger and murder.

In an instant, an aura that ruined the world and the earth emanated from Lin Ziming's body, filled the whole house, and pressed toward Ding Yan and the others!

"Ding Yan! You are looking for death!!"

When Lin Ziming said this, it seemed as if the thunder came to the ground, booming.

Ding Yan is just a martial artist in the realm of a master. How can he withstand Lin Ziming's anger? At the moment when he is pressed to the top by Mount Tai, the whole person feels unprecedented pressure, and his whole person is pressed on the ground, and his bones are stunned. With the screaming sound, even his five internal organs were oppressed, and a mouthful of blood came out when he opened it.

Just kidding, Lin Ziming, as an upper-level master of the Innate Realm, is only one step away from the peak, especially after he and Wu Meizi's fight to the death, he felt the pressure of Wu Meizi's spiritual level, invisibly, his spiritual power also increased. A lot of it, and now it's not a simple matter to

oppress a group of ants in the realm of masters.

Not only Ding Yan, but Peng Yulu and other Tao family members were also blank and shivering.

Tao Sanniang reacted, and she quickly said: “Ziming, you misunderstood, I don’t mean to embarrass Ding Yan! I cried because I was moved, so don’t make a mistake.”

“What?” Lin Ziming was stunned at the moment, and the aura that emanated from him also disappeared.

Ding Yan and other talents breathed a sigh of relief, panting heavily, all wet with sweat, as if they were fished out of water.

Now he raised his head and looked at Lin Ziming’s eyes, full of fear. He was no longer looking at a person, but at a demon god. Lin Ziming’s aura was really terrifying just now, and he was considered a man who had seen the world. A character, but he has never experienced this kind of horror, as if he had gone to hell for a while!

No wonder Lin Ziming was able to kill Wu Meizi and became the best in province g. Now it seems that Lin Ziming is fully qualified for this. It’s really terrifying!

“Lin’s forgiveness, Lin’s forgiveness!” Ding Yan quickly kowtowed his head for mercy, and banged the floor. After a while, his forehead became bloody.

Tao Sanniang said: “Ziming, you shouldn’t embarrass them. I don’t think Ding Yan knew you were here at first, otherwise he wouldn’t dare to offend.”

Ding Yan quickly explained: “Master Lin, Madam is right, I really don’t know you are here, Master Lin, I am willing to spend a billion to make amends, Master Lin!”

Billion!

Just to make amends!

Now the Tao family members have their mouths wide open, and their hearts are a little numb. They can’t imagine how big a person Lin Ziming is.

As for Lu Fan, he was scared to the extreme now, trembling constantly, for fear that Lin Ziming would hold grudges and make trouble for him.
