

## Chapter: 818

In the end, Lu Fan ran away griefly, panicked when he left, and hit the threshold, fell a dog to eat shit, and he was as embarrassed as he was.

As for Lin Ziming, he listened to Tao Sanniang's arrangement and stayed for lunch.

After what happened just now, everyone in the Tao family had a different attitude towards Lin Ziming. When the emperor offered it, it's no exaggeration to say that even if Lin Ziming asked them to eat shit, they had to do it, and they didn't dare to do so. The slightest complaint.

Tao Sanniang is also more enthusiastic towards him, and she can't wait for her body to stick to him, which makes him very embarrassed.

After lunch, Tao Sanniang suggested to go for a ride and take Lin Ziming to appreciate the customs of her hometown. Lin Ziming had nothing to do anyway, and he agreed.

The economy of Yuancheng is not as good as Hwaseong and Fengcheng, but the air is really good, with mountains and waters, and outstanding people. Lin Ziming found that the skin of Yuancheng people is generally better than that of Hwaseong people.

It's no wonder that such a stunner like Tao Sanniang can be born.

Tao Sanniang is in a particularly good mood today. People who pass by can feel her happiness far away. Seeing her so happy, Lin Ziming's mood has also improved a lot.

To be honest, when he first met, he never thought about having such a day with Tao Sanniang. To be honest, his first impression of Tao Sanniang was not good. He felt Tao Sanniang was very devilish.

As a result, it turned out that there was a problem with his vision. Tao Sanniang was just too good at charming skills. She was not a watery person in her bones. Otherwise, she would never be able to stay in the dust and still maintain her perfect body.

However, Tao Sanniang is so obsessed with him, it still makes him a little headache, is it really going to eat Tao Sanniang?

When he was in a daze, Tao Sanniang changed his clothes, walked out of the fitting room, turned around in front of him, and asked nervously and expectantly, "How about it, does this dress look good?"

Lin Ziming returned to his senses, looked over, and was shocked immediately. She saw Tao Sanniang wearing fashionable clothes, which not only reflected Tao Sanniang's figure well, but also the key temperament was outstanding, trendy, and elegant.

In the clothing store, there were still many men whose eyes fell on Tao Sanniang and couldn't move them away.

Even some women showed expressions of envy, and there is no way, the Tao Sanniang at this moment is so beautiful!

With her charming technique, she has already practiced to the top level, and between her smiles and smiles, she exudes the charm and charm that other women don't have, which affects the eyes of the surroundings.

Lin Ziming nodded heartily and said, "Well, it's not bad, it's pretty."

"Really?" Tao Sanniang's eyes immediately showed surprise.

"Of course it's true. If you don't believe it, look in the mirror yourself." Lin Ziming said with a smile.

Tao Sanniang said, "That's it, hehe."

"Great."

Next, Tao Sanniang tried several sets of clothes with different styles, all of them were particularly good-looking. Anyway, just one word, buy, buy, buy. Finally, when Tao Sanniang passed by a clothing store, she went in and bought a few outfits, especially the bold ones. She even reached Lin Ziming's ear and exhaled and said fragrantly, "When I go back tonight, I will wear them for you. Look, you are a pervert."

Guru!

Immediately, Lin Ziming swallowed heavily, and his heartbeat accelerated a lot.

Damn, Tao Sanniang's figure was so foul, if you wear those clothes with great visual impact, you must not let him explode!

But he was still looking forward to it, after all, Tao Sanniang is a superb stunner!
