

Chapter: 820

In the huge box, it suddenly became quiet, everyone stopped talking, and their eyes focused on Lin Ziming, waiting for what he would answer.

If you change other people, you will feel a lot of pressure, and it is impossible to taste wine so calmly.

However, for Lin Ziming, it was not the slightest disturbance.

Tao Sanniang, as the person sitting next to him, felt the pressure now, and subconsciously wanted to quickly finish the wine for Lin Ziming, and answered Jiang Liqun.

But as for Lin Ziming, he drank slowly, and finally let out a sigh of emotion, "Good wine."

Tao Sanniang: "....."

For the first time, she felt that Lin Ziming's face was a bit thick.

Jiang Liqun was not angry, but his eyes showed more excitement and expectation. People at his level are particularly capable of observing words and behaviors.

Seeing Lin Ziming's calmness, he knew in his heart that Lin Ziming was mostly capable of helping him break through to the innate realm!

Originally he was only half sure, but now seeing Lin Ziming's reaction, it has increased to 80%.

He smiled and said: "In order to entertain Master Lin, I took out my daughter Hong, who has been treasured by my daughter for 20 years."

Lin Ziming also smiled and said, "My daughter Hong of twenty years, how embarrassing is this."

Jiang Liqun waved his hand and said, "Don't be embarrassed. Jiang's daughter Hong was lucky enough to entertain Master Lin. It is Jiang's blessing. If Master Lin wants to drink, Jiang will personally give away the remaining daughter Hong. Go up to Lin Ye Mansion."

Lin Ziming smiled. He suddenly changed his voice and said: "Half of the industry, I want to exchange for the innate realm, Mr. Jiang, your business is too cost-effective."

Everyone's eyes widened, what the hell, half of the industry, at least more than 30 billion in value, is this a bargain? Besides, to help Jiang Liqun break into the innate realm, it doesn't take you Lin Ziming to pay anything!

However, after Jiang Liqun heard this, he instead showed a relieved expression, he was afraid that Lin Ziming would reject him directly.

To be honest, if you take out half of your property and change your innate realm, most people's thinking sounds like he is crazy, and he will make such a prodigal decision.

But only he knew that if he could only use half of his assets, he would exchange the cultivation base of the Innate Realm, and he would have made a lot of money!

With his wealth, is there a difference between 60 billion and 30 billion? And no!

Besides, once he breaks through to the innate realm, is he still afraid that he won't be able to earn the 30 billion?

The Innate Realm, also known as the Transcendent Realm, literally means surpassing the mortal, it is another level.

Jiang Liqun wanted to enter this level in his dreams!

"Master Lin, I made you a joke. Half of Jiang's assets are indeed not in the eyes of Master Lin." Jiang Liqun said seriously: "Master Lin, I sincerely seek Master Lin's help. Once I break through The Innate Realm will always be Lord Lin's ally and will never betray!"

Speaking of this, he stood up, swearing to the light, very solemnly.

Ding Yan and the others felt that Jiang Liqun was very sincere. If they changed, they would definitely agree to it without hesitation.

But Lin Ziming's face was quite cold, and there was a sneer at the corner of his mouth. The goblet was spinning at his fingertips, and the magical thing was that the wine in the glass couldn't be spilled.

"Jiang Liqun, do you think I would care about your alliance? It's not good to say that even if you break through the innate realm, in front of me, you are still ants." Lin Ziming said lightly, which was very arrogant. , But everyone knew that Lin Ziming was not pretending to be forced, but stating a fact.

Isn't it right, Gu Xuan, broke through to the innate realm ten years ago, an absolute master, and died in the hands of Lin Ziming.
