

Chapter: 823

Lin Ziming said: “Come out the Xisui Pill by yourself. As long as you cooperate with me and have enough will to sustain it, you should never leave the tenth.”

Jiang Liqun clenched his teeth, Lin Ziming’s words really tempted him!

As long as Lin Ziming can really help him break through to the innate realm, then let him surrender to Lin Ziming, and he can’t accept things.

Lin Ziming said: “I will stay in Yuancheng for two more days. You will answer me before tomorrow night. Don’t worry about this time.”

Seeing Lin Ziming picking up vegetables leisurely, Jiang Liqun made a decision, took a deep breath, and said, “Don’t wait for tomorrow night! I have decided now!”

After that, he stood up, walked to Lin Ziming, knelt down on one knee, and said solemnly: “Lin, as long as you can help me break through the innate realm, from now on, I, Jiang Liqun, will be yours. Up!”

“Great!”

Lin Ziming also beamed his eyes. He put down his chopsticks, stood up, held Jiang Liqun, and said with a big smile: “Very well, from now on I will have Lin Ziming take a sip of soup and I will never treat you Jiang Liqun!”

This scene is very strange, Jiang Liqun is obviously much older than Lin Ziming, but now he bows his head to Lin Ziming.

Jiang Liqun glanced at Ding Yan and the others. They were very sensible, and immediately knelt down on one knee in front of Lin Ziming and began to surrender.

Lin Ziming received a fierce general and was in a particularly good mood. He was so proud that he drank booze with Jiang Liqun and others.

Tao Sanniang looked at Lin Ziming’s eyes more affectionate and admired. This is her man, the most extraordinary existence in the world.

After Jiang Liqun announced his surrender, Lin Ziming didn’t hide it. Now he told Jiang Liqun the key to breaking through the innate realm and what he needed to pay attention to.

Jiang Liqun was ready to wash the marrow pill, and when he had arranged the affairs of the source city, he set off for Huacheng and began to dash for the innate realm.

“Master Lin, I, Jiang Liqun, can be considered a lot of amazing people, but you are the first one to reach such a realm when you are so young like Master Lin. Master Lin, I admire you from the bottom of my heart. what!”

Jiang Liqun stood up to toast Lin Ziming, and said with admiration.

Tao Sanniang was full of arrogance after hearing this, but Lin Ziming said, “Jiang Liqun, if you want to go further on the road of martial arts, it is best to abandon your flattering character and be pure in your heart. .”

Jiang Liqun’s face suddenly stiffened, showing some embarrassment. He

was already conditioned to flatter Lin Ziming just now, and most people would be particularly happy to be flattered by him. It was embarrassing to think of Lin Ziming's words like this.

Fortunately, he was a wise man, and he immediately reflected what Lin Ziming meant, and he was even more grateful to Lin Ziming.

He has been cultivating since he was a child, and his talent is not low, but for so many years, he has been stuck at the peak of the day after tomorrow, and it is difficult to break through. He used to think that he was out of luck.

“Thank you, Master Lin! Liqun for the teaching.”

Jiang Liqun became serious, and thanked Lin Ziming with a fist in a very sincere manner.

Lin Ziming waved his hand to signal the trivial matter.

Then they started talking again.

“What's the origin of your enemy, let's just listen.” Lin Ziming asked curiously.

Some hatred flashed in Jiang Liqun's eyes, and he was about to speak. At this moment, there was a loud noise from outside.

Then, the box door was kicked open.
