

Chapter: 825

Regardless of Jiang Liqun's apparent identity as the group boss, in fact, his cultivation base is not bad, and most professional fighters are far from his opponents.

If Tian Tian Yuan didn't hide, then he would suffer serious injuries if he hit him.

The brilliance in his eyes flashed, and he dodged easily, haha joked: "Jiang Ergou, I just made a joke with your horse. You are angry like this? I said your measure is too small. , Hahaha."

The others who were with him also laughed.

Jiang Liqun's face was ugly. He looked at Lin Ziming timidly, a little afraid that Lin Ziming was angry. Seeing Lin Ziming's face was not waved, he was still very calm, and he couldn't see what Lin Ziming thought.

"Fat Bai, you are fucking dead!" Jiang Liqun cursed.

He is now unsure of Lin Ziming's meaning, and he does not dare to easily announce Lin Ziming's identity.

During the day, Yuan's face was joking. He didn't even put Jiang Liqun in his eyes. He found a place to sit down and poured himself a drink. He didn't put Jiang Liqun in his eyes at all, "Jiang Liqun." , You crazy dog, would you bark there?"

Jiang Liqun gritted his teeth. He was indeed a little afraid of Tian Yuan, but if Lin Ziming was here, if he behaved very aggressively, he would definitely leave a bad impression on Lin Ziming. Yuan shot.

Tian Tian Yuan was not scared at all when he saw him making a shot, but instead he laughed, "Oh, I'm actually so embarrassed and angry, do you want me to do it? Tsk."

His cultivation base is higher than that of Jiang Liqun, he is not afraid of Jiang Liqun at all, and his backstage is bigger than Jiang Liqun. He is here this time, just knowing that Jiang Liqun is here, deliberately humiliating him. Jiang Liqun's.

It's just that what he had never imagined was that Lin Ziming, the most popular recently, was actually on the scene. If he knew, he wouldn't dare to come and make trouble.

Now he faced Jiang Liqun's attack, showing disdain, and did not dodge, and directly confronted Jiang Liqun.

A fist blasted past, and it collided with Jiang Liqun's fist directly. The chair under his butt burst open and took two steps backwards, while Jiang Liqun stepped back five steps with a trace of pain on his face.

Obviously, in the fight with Tian Yuan Yuan just now, he couldn't fight Tian Yuan Yuan and fell into a disadvantage.

"Jiang Ergou, is this your strength? Too weak, just you rubbish, how can

you fight my boss?" Tian Tian Yuan shook his head disdainfully, and then he began to attack Jiang Liqun directly. A torrential attack.

I have to say that Tian Tian Yuan is not tall, even a little chubby, but his physical strength is really good, his moves are also very fierce, and there is a strong wind in the box.

Faced with his attack, Jiang Liqun's face immediately became serious, showing some fear. This is not the first time he has played against Tian Yuan Yuan, but every time he can't beat Tian Yuan Yuan.

It was also now, and after a while, he was crushed and beaten by Tian Tian Yuan.

As for Ding Yan and others, they were also crushed and beaten by five other people. After a while, they were already lying on the ground and suffered serious injuries.

"Jian Ergou, you are too rubbish. For so many years, no progress has been made." Tian Tian Yuan shook his head, very disdainful and contemptuous, and then accelerated the offensive, breaking Jiang Liqun's defense with a punch, and then another. The gun fist will seriously hurt Jiang Liqun.

At this moment, Lin Ziming made a move.
