

Chapter: 826

Lin Ziming suddenly stood up from his chair, blinked in front of Tian Yuan Yuan, and slapped Tian Yuan Yuan's gun fist with a casual slap.

Suddenly Tian Tian Yuan was hit hard, and a huge force surged in. He felt like he had been hit by a high-speed car. He couldn't bear it. He retreated humbly, with too much momentum, and he kept going. After removing this force, the shoes burst open by him, turning into bare feet, looking a little embarrassed.

Lin Ziming didn't even look at him, but directly said to Jiang Liqun: "This person is your enemy?"

Jiang Liqun was stunned. The punch of Tian Yuan Yuan just now made him feel tremendous pressure. Once he was hit, he would not die or be seriously injured, but he was slapped away like a mosquito by Lin Ziming. This is a strong contrast. It made him feel refreshed in an instant.

Tian Tian Yuan also looked at Lin Ziming in horror. He felt that all the surging power before him was about to swallow him!

He is now considered the first half of the innate realm. In the real innate realm, it can be said that he is invincible. And the young man in front of him, who looked at his appearance, can easily repel him, there is only one possibility. That is, the opponent is a master of innate realm!

"Who are you?!" Tian Tian Yuan called out in shock.

The other people in the box were also shocked. Whether it was Jiang Liqun or Tian Yuan Yuan, from the performance of Lin Ziming just now, it was completely beyond Tian Yuan Yuan by more than one level.

Jiang Liqun finally recovered. His eyes showed admiration and excitement, and he nodded vigorously: "Yes, this person is called Tian Tian Yuan. He has swallowed marrow pill three times, and claims to be invincible under the innate realm. , It's a vicious dog under that man!"

When he said this, he gritted his teeth and was very angry.

Lin Ziming nodded and said, "Do you want me to take action and destroy it."

When Tian Tianyuan heard this, he suddenly jumped in his heart and exclaimed excitedly: "Hey, I don't care who you are, it's best not to act rashly, my boss is a super master in the Innate Realm!"

Lin Ziming didn't care about him at all. In his eyes, Tian Tian Yuan was nothing more than an ant, and he could get rid of it when he moved his fingers.

Jiang Liqun heard Lin Ziming's words, his eyes flashed with excitement, opened his mouth, and wanted to agree, but when the words reached his lips, he held back, shook his head and said, "Thank you, Master Lin for your kindness, but I still want to do it myself. !"

The corner of Lin Ziming's mouth rose slightly, showing some appreciation,

nodded, and agreed.

“Fatty Bai, go back and tell the man whose surname is Yao, I will personally pick up his dog’s head sooner or later! Let him wash his neck and wait for me!” Jiang Liqun said domineeringly.

Tian Tian Yuan’s expression was extremely gloomy and constantly changing. He stared at Jiang Liqun, and then looked at Lin Ziming, full of fear. He had already seen that Lin Ziming was a master of the innate realm, but he still didn’t recognize Lin Zi. Ming’s identity.

He snorted heavily, didn’t dare to say anything more, and walked away desperately.

After what happened just now, Jiang Liqun was even more in awe of Lin Ziming, and he didn’t dare to have any thoughts of disobedience.

Lin Ziming didn’t continue to stay, and he said hello and left with Tao Sanniang.

“Boss, do you really want to surrender to Lord Lin?”

When he arrived in the closed study room, Ding Yan asked in a puzzled manner. In his mind, Jiang Liqun was an ambitious man who would not surrender to anyone, but Jiang Liqun directly confronted Lin Zi tonight. Ming surrendered, this is really a bit subverted his three views.

Jiang Liqun nodded, expressing affirmation.
