

Chapter: 829

The other party immediately said: “Boss, I just found out that there are two foreigners who are stalking the wife. It seems that they want to behave against the wife.”

Foreigner?

Lin Ziming couldn't help but stunned, he seemed to have offended any foreigner.

Wait a moment, he suddenly remembered that Smith and Connor before him were foreigners. Do they dare to come to trouble themselves? Did you find Chu Fei?

In an instant, Lin Ziming's eyes became cold, and he said in a deep voice, “What is the cultivation level of these two foreigners?”

The voice of the bodyguard came from the phone, “These two foreigners are very strong, and Ah Hua and I are following them. I suspect that they are...Ah!!!”

Suddenly, the bodyguard panicked on the phone, followed by the sound of the phone falling to the ground and the bodyguard being beaten.

Lin Ziming's heart was raised immediately!

In this case, it was obvious that the two bodyguards were killed!

And most likely, it was the two foreigners who were following.

In an instant, Lin Ziming's face became gloomy, and all the emotions disappeared cleanly at this moment.

Now he is more than 90% sure that he is the person from Smith and Connor! Last time, Lin Ziming had largely let them go and gave them a chance to reform. But now, not only do they not appreciate it, but they dare to come to trouble!

Since this is the case, then Lin Ziming doesn't have to be polite.

Tao Sanniang noticed that Lin Ziming's mood was not right, so she came over and asked, “What's wrong?”

Lin Ziming took a breath and simply said what had just happened. In the end, his eyes were cold, and he flashed murderously and said, “These two foreigners, I gave them a way to survive last time. I can't spare the people around me.”

Tao Sanniang also became angry, “Too disgusting! These foreigners have eaten the guts of the bear heart and leopards, and dare to be so arrogant on my Chinese territory! Ziming, you should hurry back now, don't let the people around you Something went wrong.”

Lin Ziming nodded, he thought the same way.

“What about you?” Lin Ziming looked at her and said with some shame. Originally, he wanted to accompany her this time in the source city, but he didn't expect to encounter such a thing.

Tao Sanniang said with a smile: “I'm so good, such a big person, I can't

take care of myself. Don't worry about me, hurry up and go back. I will spend the two days with my family first, and then I will go back to Hwaseong with you. meet."

"Okay." Lin Ziming nodded. When something like this happened, he didn't have the mood to stay.

When he turned and left, Tao Sanniang's eyes showed loss, but she quickly became firm. She waved her fist and swears in her heart that next time, she must take Lin Ziming down!

After Lin Ziming came out, he rushed back to Hwaseong City overnight.

He doesn't take a car, because he can't walk fast in a car.

This is not an exaggeration. Now he runs extremely fast. He can sprint 50 or 60 meters in one second, which is equivalent to two hundred kilometers per hour. Moreover, he is an average speed. In addition to his amazing physical strength, he can walk back to Hwaseong in a straight line. After calculating it for about half an hour, I went back.

It takes at least three or four hours to take a car.

Finally returned to Yulong Bay, and found the bodyguard in a small forest nearby. Now he was knocked out.

He walked over and saw the appearance of the bodyguard, and a wave of anger burst into his heart!
