

## Chapter: 834

Tony and John didn't even know that they had been followed by Lin Ziming. They were particularly embarrassed, thinking that their whereabouts were very secret, and no one would ever find out.

When they returned, the two guards at the door frowned and said, "Tony, John, what the hell are you two doing, what are you doing to bring Chinese people to us?"

"Alan, what are you talking nonsense? How can we bring Chinese people back."

"Yes, neurotic."

Tony and John are both masters of stalking. How could they have been stalked yet I don't know, so they think the two door guards are purely teasing them.

The guard named Allen pointed behind them and said angrily: "Damn Tony and John, you two are still quibbling, then you explain, who is this Chinese!?"

Now Tony and John were a little confused. When they saw Alan's appearance, it really didn't look like a joke. So when they looked back, they saw a Chinese face, smiling at them, and still saying hello to them. "Hi."

In an instant, their reaction was great, and their eyes widened! Isn't this guy exactly Lin Ziming!

Seeing Lin Ziming's appearance clearly, their scalp was numb. They were originally tracking Lin Ziming, and they also saw Lin Ziming go to the company with their own eyes. Why did they follow them in a blink of an eye? The strangest thing is that they have no idea about it!

"You you, damn Chinese monkey, when did you follow us!?" Tony widened his eyes and cursed.

John reacted and sneered, "Damn the Chinese monkey, huh, we are going to teach you, I didn't think you took the initiative to send it to the door, it would be better, and it saves us a lot of things!!!"

The two guards were taken aback when seeing this situation, and then said in a little shocked: "This Chinese is the Chinese whom Smith and Connor want to avenge?"

John nodded and said: "Yes, this Chinese dare to come to the door, he is dead, hahaha..."

As they spoke, the four foreigners' eyes met and surrounded Lin Ziming, with a sneer and joking all over their faces.

In terms of physique, they were far beyond Lin Ziming, sandwiching Lin Ziming, like an eagle surrounding a chicken.

The smile on Lin Ziming's face did not change, but he said to Tony and John, "Last night, the Chinese sick man on my bodyguard was written by you, right?"

He spoke a fluent foreign language, and the other party understood in an instant, he laughed, “Yes! We did it, you are the sick man in China, your bodyguard is weak, too weak, even we can take a punch. No longer, hahaha.”

“The Chinese sick man is the best name for you Chinese.”

They laughed, and the two guards also ridiculed them. They looked at Lin Ziming as if looking at a piece of rubbish, being ravaged by them at will, not even noticed that Lin Ziming’s eyes were getting colder and colder.

Finally, at this moment, Lin Ziming made a move. He slapped it in the face with two slaps. Tony and John only felt that they were slapped in front of them, and their faces were hit, as if they were hit by a helicopter propeller. , His huge body flew out directly, half of his teeth were actually knocked out, and the pain caused them to scream sternly.

This scene surprised the other two guards, and they were furious, “Damn Chinese, you are looking for death!”

“court death!!”

They shot together, took out the two electric batons around their waists, energized them, and slammed Lin Ziming’s head fiercely.

They want Lin Ziming’s life.

Lin Ziming’s eyes were cold, and without turning his head, he kicked out with two feet, and with two feet, he directly kicked the two 200-jin foreigners against the wall behind him. With great strength, he made a bang. There were two dull vibrations, and there were a few cracks in the thick wall! The two foreign guards spouted two mouthfuls of blood, their faces were full of pain, and their eyes were full of fear.
