

## Chapter: 839

Yes, after they were sure that Lin Ziming was the only person here, they all had no hope.

Because they know that these foreigners are especially good at fighting, especially the one named Connor, who is a monster, and can smash sandbags casually.

They had already seen Lin Ziming's miserable end, and they were all sad for a while, and some people's eyes were still red.

“Run!”

At this moment, a Chinese yelled loudly, yelling at Lin Ziming.

The other Chinese were taken aback for a moment, and then, a second Chinese also shouted at Lin Ziming, “Run! These foreigners are very cruel. If you beat their people, they will kill you!”

Immediately, the third Chinese also shouted: “Friend, run away!!”

Lin Ziming was stunned, he had no idea that he would encounter such a thing here.

Soon, his gaze passed over a dozen Chinese people present. From their eyes, he saw worry, humiliation, despair...

And he saw a lot of people in a weak state, with injuries on their bodies, and a few Chinese women, who were not dressed properly and had tears in their eyes.

Lin Ziming is such a smart person, at this moment, he still doesn't understand what is going on here!

Suddenly, a raging anger spurted from Lin Ziming's chest.

These Chinese, his compatriots, were bullied by these foreigners!

哐啷哐啷! Lin Ziming clenched his fists and made a sound, his gaze slowly turned from anger to coldness.

By the time his cultivation level is reached, it is no longer easy to be affected by emotions, and he can do most things calmly.

But now, he couldn't calm down anymore, and his anger filled his whole body.

He decided to teach these foreigners an unprecedented and painful lesson!

Just when Tony, John and others were about to rush over, they saw Lin Ziming snorted coldly and pulled his hand. Suddenly Tony and John's running figure jumped up and fell heavily to the ground.

Then, the two of them were dragged back alive by Lin Ziming.

It turned out that their hands were tied by iron chains and held by Lin Ziming. Now the two of them were on the ground, pulling out a long bloodstain.

That picture looks terrifying!

Lin Ziming grabbed them and walked in step by step. He didn't immediately

attack Smith and Connor. Instead, he looked deeply at every Chinese in the audience and said, “My fellow citizens, you are among these few beasts. The humiliation I have suffered, today I will help you ask for it back ten times a hundred times!”

When they heard Lin Ziming’s words, they were all stunned. Then, their bodies couldn’t help shaking, and they were extremely moved and excited. Some people with low tear points shed tears.

However, they were moved, but they still didn’t believe in Lin Ziming, and even more worried about Lin Ziming.

After Lin Ziming came in, he closed the door with his backhand.

His eyes flashed across the faces of Smith, Connor and others, making them all feel tremendous pressure, and they couldn’t help but shook their spirits.

“Smith, Connor, last time I generously let you go. Not only did you not get out of China, but you also dared to dominate in China? Bullying my compatriots! Tell me, who gave you the courage!” Speaking of the last sentence, Lin Ziming’s eyes suddenly widened, and he paused every word, thunder billowing, his aura was extremely terrifying.
