

## Chapter: 844

Before that, no one had thought that Lin Ziming could beat Connor, because his body was so different from that of a lion and a rabbit, but as a result, Lin Ziming stood still and was beaten by Connor. No injuries, but Connor was hit by Lin Ziming with a relaxed punch, and he flew out and fainted directly. They looked over, and even saw Connor's chest, obviously stuck in a hole, can they still live like this?

Lin Ziming's fist was merciless, and he directly abolished Connor. Even if he was rescued, he would only be a useless person in the future.

Liu Jie and others swallowed hard, unbelievable, all this in front of them was real, completely subverting their cognition and three views.

Seeing the expressions of these foreigners, Lin Ziming had already developed a strong fear of him, and the smile on the corner of his mouth became stronger and stronger.

He hooked his finger at Smith and said with a smile: "Smith, I heard that you made a science fiction movie not long ago. In it, you are an omnipotent superhero. Not as capable as in the movies."

Seeing Lin Ziming's smile, Smith shuddered immediately, and his hands and feet became cold!

His lips trembled and his feet began to swing. Now he was terribly afraid of Lin Ziming. He had never imagined that Connor, who had soared in strength, was still not Lin Ziming's opponent, and he was defeated so easily.

"Lin Lin, Lin Dong, I was wrong, I was wrong, it was all my fault, and I will never trouble you anymore." Smith cried and begged for mercy, and now he is completely frightened.

"Wrong? Since you are wrong, you have to accept punishment." Lin Ziming's eyes opened abruptly after he finished speaking, and his figure moved, and he grabbed Smith.

Smith was so scared that he wanted to run, but he found that he was locked by Lin Ziming, and he couldn't run away even if he reached the ends of the world.

In panic, he cried out heartbreakingly, "Boss!!! Save me!!!"

With his hysterical voice shouting, from the room behind him, the door was suddenly kicked, and a tall white man appeared. He was very fast and his eyes were like electricity. He rushed towards Lin Ziming, like a white light.

Lin Ziming chuckled, and chuckled secretly, "Finally, can you give it up? It's a pity that you can't stop the ten people I want to kill!"

Almost between electric sparks, Lin Ziming arrived in front of Smith. Under his extreme fear, Lin Ziming pinched Smith's neck with one hand, lifted him up, and then squeezed it. Smith had no time to scream and heard the scream. With a bang, Lin Ziming's neck was screwed off, and his frightened pupils began to diminish, and he immediately died.

At the same time, the tall white supernatural person has arrived. He saw Smith's death, and his eyes broke out with strong anger, shouting: "Damn Chinese, you are looking for death!!!"

"Really? It depends on your ability. Next, I'm going to kill the second one."

Lin Ziming sneered disdainfully, threw Smith at the opponent, and then his figure disappeared in place. It seems to be a teleportation. The next time he appears, he has already arrived in front of another foreigner and gave him a playful smile, "Go to God for your foreigners' beliefs. Now I will send you to see his old man."

"Don't..."

The foreigner was terrified, and he wanted to turn around and ran, but how could his speed be as fast as Lin Ziming?

Before he had finished speaking, his whole person froze, and Lin Ziming slapped him on the back of his head. He fell down like a machine without electricity.

The rest of the other foreigners were so scared that they were speechless. They were cold all over, and kept saying, devil, Satan...

As for Liu Jie and other Chinese people, they were also shocked, and at the same time, there was a kind of unspeakable passion and excitement.

When have they ever seen foreigners panic so much, acting like birds and beasts are scattered?

This really boosted their ambition!

But for the white supernatural person, he was extremely angry, and his whole person erupted like a volcano.

"Chinese people, you are dead!! Even God can't save you!" He roared loudly, his voice was so loud that he created layer after layer of noise, which made many people's eardrums unbearable, and they had to cover their ears.

However, for Lin Ziming, it was a pediatrics department, which did not affect him at all. He continued to move, madly hunting foreigners present.

A big kill, a foreign devils in the palm of one hand! !
