

Chapter: 845

Since the beginning of his practice, he hasn't lived as smoothly as today. Even if Gu Xuan and Wu Meizi were killed that day, they couldn't compare to the present.

“Damn Chinese! Stop it, stop it!!”

The white person with supernatural powers has been running with Lin Ziming, but he has not been able to catch up with Lin Ziming. Several times, he was almost able to catch up, but they were all avoided by Lin Ziming's flexible posture.

And the twenty or so foreigners present fell down one by one, and no one could hold Lin Ziming's palm. Several of them were even shot against the wall by Lin Ziming, causing the wall to collapse.

Connor woke up. He looked at this scene, his face was pale, and his violent fear had made him forget the pain and kept saying, “Devil, devil...”

Indeed, Lin Ziming is now the representative of the devil in the eyes of these foreigners.

However, when Lin Ziming stopped, all the foreigners present fell down and died in his hands.

This left the white supernatural person, and the dying Connor.

Lin Ziming glared at him, and Connor let out a scream of extreme fear, his guts were broken, and he was directly scared to death on the spot.

“Now tell me, are the Chinese people sick?”

Lin Ziming didn't leave, he turned his head and looked at the white supernatural person in front of him with a smile but a smile, and he was also a master of the innate realm. This was the first foreign superpower he encountered, and his strength was much worse than that of Gu Xuan.

He chuckles, the white supernaturalist clenched his fists and made a chuckle. He gritted his teeth and stared at Lin Ziming, “Damn it! Damn it! Chinese, you damn it!!!”

He looked down at the foreigners who had fallen here, except for him, all died.

Among them, Connor is still his cash cow. He spent more than one billion on Connor, intending to train Connor and earn money for him fiercely!

But now, it's dead!

And Smith, one of his cash cows, died.

Just because of this damn Chinese in front of me! !

He gritted his teeth, never hated someone so much, and shouted, “You give me, die!!!”

Then he brazenly shot, blinking an eye, and went to Lin Ziming, blasted out a punch, unexpectedly evoked the sound of air explosion, the power of this punch exceeded 10,000 pounds.

But for Lin Ziming, it was too weak.

He didn't have the choice to attack immediately, but began to dodge, not because he was not against the opponent, but because he had to study clearly how the opponent reached the innate realm, and what the core of the opponent's practice was.

Because Lin Ziming's figure was too fast, this white supernatural person could not reach Lin Ziming even with all his strength. He was so angry that he jumped into a thunder and shouted, "Damn Chinese, would you hide!" This coward! There is a kind of fight with me!!!"

Lin Ziming didn't care about him at all, he continued to dodge, carefully studying the other party's routines.

After five minutes, the other party still couldn't touch Lin Ziming, and the white supernatural person was going crazy. Suddenly, his eyes lit up, and he looked at the dozen or so Chinese on the side with a cruel sneer. "Waiting for me to kill these Chinese pigs, see if you still hide!"

With that, he rushed towards Liu Jie and others.

However, at this moment, Lin Ziming suddenly showed a look of enlightenment, and said: "I understand. It turns out that you broke the first layer of the human body in this way and reached the innate realm. Now that I understand, then you are not. It's worth living."

When the voice fell, Lin Ziming's momentum suddenly changed, and his speed suddenly increased. Before the white supernatural person rushed to Liu Jie and others, he grabbed the white supernatural person's neck, and the white supernatural person's horror and Unbelievably, when he squeezed, the white supernatural person's neck suddenly broke, his body lost strength, and he fell to the ground.

"You, you are not an ordinary ability person, you are an s-level ability person..." After speaking, he died, his eyes full of unwillingness and fear.
