

Chapter: 849

Just when he was very unhappy and was about to speak, the door in front was opened, and a few people walked in. The front one was Wang Shougui. Lin Ziming still didn't show up. Many people from the Ouyang family were a little annoyed when they saw this scene, but they didn't dare to show it, so they all stood up and greeted him with a smile.

"I'm sorry to keep you waiting. Our chairman is already busy and is waiting for you in the office. Please come with me." Wang Shougui said with a smile, his expression neither humble nor overbearing, even with some pride. Now he feels very happy. This is Ouyang Feng's family. If he changed him, he would not even have the qualifications to see Ouyang Feng. However, now, Ouyang Feng has to come over to apologize honestly and put down his posture. Don't feel too cool!

Ouyang Feng didn't have the slightest displeasure on his face, but instead smiled, and said with a smile, "Then I will trouble Mr. Wang to lead the way."

"No trouble, no trouble." Wang Shougui said with a smile, his waist straightened even more.

Ouyang Xuehai also put aside his posture, and took the initiative to greet Wang Shougui. In his capacity, he was so humble. If he changed his position, Wang Shougui would not even dare to think about it. Therefore, he is also more and more grateful that his original choice, otherwise, he is now the same as Ouyang's family, and his intestines can be regretted!

As for Ouyang Weicheng and Ouyang Weibing, their faces were even more ugly. When they looked at each other, they both saw each other's displeasure.

After they received Western education, they had invisibly developed a kind of thinking that they looked down on the country, including Ouyang Feng and Ouyang Xuehai, and they also believed that their thinking was backward.

Especially when they heard that Ouyang Feng and Ouyang Xuehai hurriedly called them to come over and visit Lin Ziming, it was because Lin Ziming was very capable of fighting, so they believed this even more firmly.

After a while, I arrived at Lin Ziming's office. As soon as I came in, I saw Lin Ziming sitting in the boss's chair. He stared at the computer leisurely. Through his voice, I could find that Lin Ziming was actually playing with the landlord, "Call the landlord." "Super double", "Mingpai" and other game sounds, especially the sound of "I will wait until the flowers are also thanked", made them very embarrassed.

Ouyang Weibing and Ouyang Weicheng themselves were dissatisfied with Lin Ziming. Now they saw that Lin Ziming was actually here to fight the landlords. After hanging them out for more than an hour, a burst of anger

came out of their foreheads!

Outrageous!

It's too much! !

The corners of Ouyang Feng's mouth twitched twice. He was also a big man anyway, and Lin Ziming was a bit too much to neglect him in this way. However, he immediately thought of Lin Ziming's identity now, and he couldn't get annoyed either.

"Zi Ming, I'm sorry, I and your Uncle Xuehai are here to disturb you." Ouyang Feng said with a smile, he put his posture very low, Ouyang Xuehai also squeezed out a smile, and began to say: "Yeah. Ming, in fact, some time ago, your Grandpa Ouyang and I wanted to come and look for you, but Mr. Wang said you..."

After he finished speaking, he heard Lin Ziming staring at the computer and said: "Haha, I won all this. I won more than half a million Happy Beans in one round."

In an instant, the smiles of Ouyang Feng and Ouyang Xuehai stiffened on their faces.

Lin Ziming raised his head and said, "Oh, it turns out that Mr. Feng Ouyang and Mr. Xuehai Ouyang are here, please sit down."

Seeing Lin Ziming's negligence, Ouyang Weicheng was more irritable. He couldn't help it at the moment. He stood up abruptly and yelled at Lin Ziming, "Well, your surname is Lin! I have tolerated you long enough!" Shame on your face! What kind of thing do you dare to show us Ouyang's face like this?!"

When he said this, the smile on Lin Ziming's face disappeared, and Ouyang Feng and Ouyang Xuehai suddenly changed their faces.
