

Chapter: 850

Ouyang Weibing said unwillingly, "What kind of rubbish! Think you know a little bit of three-legged cat kung fu, you are the best in the world? Don't ask, what is the background of our Ouyang family, a small owner with a wealth of tens of billions, also Dare to pretend to be in front of our Ouyang house, I think you are living impatiently!!!"

I have to say that Ouyang Weicheng and Ouyang Weibing are quite majestic now. If they change ordinary people, they will really be bluffed.

However, Ouyang Xuehai and Ouyang Feng now have scalp numbness.

Lin Ziming looked at them meaningfully and said, "Ouyang Feng, Ouyang Xuehai, is this the purpose of your coming to me?"

Seeing this expression of Lin Ziming, Ouyang Xuehai became frightened, and quickly explained: "There is nothing, Lin Dong, you have misunderstood! We absolutely have no such meaning, now you are in the g province, where can we dare to be with you? You are right! We are here to apologize to you this time, and hope that we can still become friends in the future."

Ouyang Feng also said, "Yes, Lin Dong, I hope you have a large number of adults, don't be familiar with us, we came here to make peace with you this time."

Other Ouyang family members also began to speak, explaining to Lin Ziming that they kept their posture very low.

Ouyang Yanran on the side, she bit her lip tightly and looked at Lin Ziming with an indifferent face. She couldn't calm down when she recalled the first time she saw Lin Ziming.

Knowing this, she shouldn't have followed Ouyang Xuehai and others at Gu Hanxing's birthday party that day, how nice it would be to stay with Lin Ziming!

Lin Ziming sneered and said, "Ouyang Feng, you two fathers and sons don't have to say anything. I'm just a small businessman and can't stand your apology! Seeing that I have eaten your two meals, these two I don't care about the humiliation of the juniors just now, but you won't use it anymore. From then on, Ouyang's and I will not use the well water or use it to go."

His words made Ouyang Feng and Ouyang Xuehai's faces paler.

Indeed, in the eyes of many people, their Ouyang family is rich and powerful, and has a deep background, while Lin Ziming is just the chairman of Ziqiong Media. Counting the other two companies, his net worth is only tens of billions, and they are completely inferior. Than.

However, both Ouyang Feng and Ouyang Xuehai knew that Lin Ziming's future was limitless, and his strength would become stronger and stronger in the future. Only Lin Ziming's weight alone could overwhelm Ouyang's family. In time, Lin Ziming could completely surpass the Ouyang family. If

he could not grasp this opportunity and form an alliance with Lin Ziming, then he would accidentally provoke Lin Ziming in the future, and the Ouyang family would be in danger.

This is definitely not alarmist, how much they feared Wu Meizi before, how much they feared Lin Ziming now!

No, it's more than fearing Wu Meizi, because Lin Ziming is young enough!

“Grandpa, second uncle, are you confused? With our Ouyang family's background and status, do we need to please this surname Lin in such a humble manner? If we just move our fingers, we can make this surname Lin go bankrupt!”

“Yeah, I have said that the domestic feudal ideology is no longer applicable in the new era. You still don't believe it. Now our Ouyang family are all running over to cheat others. As a result, they still don't appreciate it. If this is spread After going out, where do we put the face of Ouyang's family!”

Ouyang Weicheng and Ouyang Weibing spoke with each other, and their expressions were full of contempt for Lin Ziming and disdain for Ouyang Feng and Ouyang Xuehai.

Lin Ziming's expression became colder, and suddenly, the temperature in the office seemed to drop several degrees.

“presumptuous!”

“To shut up!”

Ouyang Feng and Ouyang Xuehai were frightened and angry, and they both shot Ouyang Weicheng and Ouyang Weibing a slap in the face. They were so powerful that they beat the corners of their mouths to bleed.
