

## Chapter: 853

He waved his hand and said: “Old Mr. Ouyang, Ouyang Xuehai, for the sake of our acquaintance once, you go back, there is no need to form an alliance. In the future, as long as you Ouyang family have no long-sighted people who offend me, I Neither will be an enemy of your Ouyang family.”

Ouyang Feng gritted his teeth and said: “Dong Lin, Xuehai was wrong just now. We are not spending 10 billion to buy 10 shares of Aegis Security Group, but 20 billion to buy 8 shares of Aegis Security Group. ! And we will not send anyone over to intervene in the management of the company, just need Lin Dong to come to our Ouyang house to have a meal every month.”

In an instant, everyone present was stunned when they heard this. Wang Shougui and others’ eyes widened, and their breathing began to rush!

Twenty billion, just buy eight points of Aegis Security Group’s shares? My mother, how is this different from giving it to Lin Ziming? !

Even if it is someone like Wang Shougui who has seen the world, his heartbeat is not speeding up, and his breathing becomes short, even his face is blushing a lot.

As for the other Ouyang family members, their expressions have changed slightly, but when I think about it carefully, if they spend 20 billion, they can form an alliance with Lin Ziming, which is still a good deal.

Suddenly, everyone looked at Lin Ziming, expecting how he would react.

Many of Ouyang’s family members, including Ouyang Feng, are very confident, thinking that Lin Ziming would not refuse such a good thing if he was a little sensible.

But by the way, Lin Ziming sneered, shook his head and said, “Old Mr. Ouyang, you should go. Pharaoh, see off, I’m tired.”

After speaking, he stood up and walked to the bedroom.

Ouyang Feng was stunned. He thought that Lin Ziming would let go of his own money. After all, where in this world are there people who can’t get along with the money? As a result, Lin Ziming’s reaction was far beyond his expectations!

Wang Shougui was also stunned. When he reacted, he hurriedly said to Lin Ziming, “Dong Lin, don’t you think about it, this is two hundred...”

Soon, he couldn’t continue. Lin Ziming’s eyes glared, and his whole body shuddered. He quickly said, “I understand, I will see you off.”

The other Ouyang family members were stunned, including Ouyang Yanran. She was completely stunned. Now Lin Ziming’s figure is constantly magnifying in her eyes...

Twenty billion, even if she was born with a golden key in Bai Fumei, there is no way to be indifferent to 20 billion. This is 20 billion. How many large domestic companies have a market value of 20 billion!

As far as she knows, the total value of Lin Ziming's three companies is only around tens of billions. As a result, Lin Ziming is not touched by the 20 billion that he has at his fingertips?

She was unwilling to say, "Lin Ziming, why! Twenty billion, don't you feel tempted at all?!"

In her words, she also asked many people's doubts and incomprehension, and her eyes were on Lin Ziming.

Lin Ziming also stopped. He turned his head and revealed a thought-provoking smile, saying: "A few days ago, I went to Yuancheng. Jiang Liqun directly surrendered to me in order to flatter me and put him under his control. All the assets are given to me, valued at more than 60 billion. Do you think it is necessary for me to be moved by your two tens of billions?"

When this word fell, everyone was stunned.

Especially the two fathers and sons, Ouyang Feng and Ouyang Xuehai, they both knew Jiang Liqun, and they knew what Lin Ziming's words meant!

But Wang Shougui, and his body trembling with excitement, worshipped Lin Ziming, nothing could have been added.
