

Chapter: 861

For a while, they were a little embarrassed.

The woman took a deep breath. She didn't even sullen her face anymore. Instead, she stood up and proactively stretched out her hand to Lin Ziming to show her friendliness, "Mr. Lin, you really know what you are doing. You can see through us at a glance. We just It makes you laugh. Get to know, my name is Tan Qiuya, and I am the deputy leader of the fourth team of Hua Guo Xuanyuan Division 3."

"My name is Tian Mingjie, and I come from the fourth team of Huaguo Xuanyuan No.3."

Three places in Xuanyuan?

Lin Ziming was stunned when he heard these four words. He had heard of this organization before. The people in it were Crouching Tigers, Hidden Dragons, and they were mainly responsible for the activities of foreign forces in China and safeguarding the country's security.

He didn't expect that people from the three places in Xuanyuan would come to him. Could it be that he was attracted by his ability?

"Long admiring the name." Lin Ziming shook their hands.

Tan Qiuya said: "Mr. Lin, you are a wise man, so I won't be circumspect. As you said just now, we are indeed here to solicit you. A master like you is a waste of talent in the folks. For example, Join us in the three places of Xuanyuan and work together for the motherland."

Originally, Tian Mingjie was very dissatisfied with Lin Ziming, but after what happened just now, he had no idea about Lin Ziming. Instead, he was very jealous of Lin Ziming, knowing that Lin Ziming could kill Gu Xuan and Wu Meizi. , Is not accidental.

Lin Ziming hesitated for a while, and said, "I'm used to being free and loose, I'm afraid I won't have the honor to join the third place of Xuanyuan."

It seems that Lin Ziming would say this a long time ago. Tan Qiuya is not surprised. She smiled and said, "Mr. Lin, you don't have to refuse so early. But killing and killing so many foreigners shows that you are a person with a heavy national sentiment and you don't want to see your compatriots being bullied by foreigners. In fact, our three places in Xuanyuan happen to be doing this kind of work."

Lin Ziming was silent and didn't say anything. Before that, he really didn't think that Xuanyuan three places would come to solicit him.

In his opinion, places like Xuanyuan Three are not so easy to enter.

Besides, for a person like him who is used to being free and loose, it is really unsuitable to go into places like Xuanyuan Three.

Tan Qiuya sighed again and said, "Mr. Lin, at your level, I believe and know that our country now looks good and we live and work in peace and contentment, but in fact, it is full of crises secretly. Especially in the past

few years, there have been constant foreign forces. Come in... the twenty-odd foreigners you met last time are just a small part of them... In the past few years, Western countries have invented the water of life, and many congenitals have sprung up all at once. The masters of the realm, that is, the supernatural beings they call, have brought great pressure to us... We need masters like you to protect our country and people.”

After that, Tan Qiuya actually stood up and bowed deeply to Lin Ziming, with a particularly sincere attitude.

After Lin Ziming saw it, he was instantly moved.

In fact, over the years, he has also felt that more and more foreigners are coming to China, and many of them are foreign forces, but what he didn't think was that China was actually a little powerless.

Seeing Lin Ziming's silence, Tian Mingjie gritted his teeth and bowed deeply to Lin Ziming, persuading Lin Ziming to join in.

Lin Ziming was silent for a while, and said, “We have a vast land, a wealth of resources, and outstanding people. There must be many masters of the innate realm, why bother looking for me?”

Some sadness flashed in Tan Qiuya's eyes, and said: “In the past, we did have a lot of innate realm masters, but over the years, with the rapid development of the water of life invented by Western forces, we have many inborn realms. Senior, has already died in their hands.”

Lin Ziming's heart sank when he heard these words. He could fully feel the heavy and tragic words of Tan Qiuya.
