

Chapter: 865

He had never experienced anything like this before. His face turned pale in an instant, and large drops of cold sweat emerged from his face, his legs swayed violently, and he lost the strength to support and fell directly to the ground.

Moreover, there was a pool of liquid flowing out of his crotch, the stench was unpleasant, and he was scared to pee his pants.

Ye Xingchen disdainfully smiled. He withdrew his gaze at Zhou Zhe. In an instant, Zhou Zhe came back to his senses. The feeling was as if he had returned to the world from hell and came back from the dead.

The look he looked at Ye Xingchen now was completely different. It was no longer the contempt and suspicion just now, but full of awe and fear, as well as excitement.

He already believed in Ye Xingchen's strength now. With people like Ye Xingchen sitting in the Beitian Club, the Beitian Club would definitely become more and more prosperous. As for Lin Ziming, it was not worth mentioning.

Frightened to pee on his pants, some embarrassment flashed across Zhou Zhe's face, but he did not feel embarrassed. Instead, he stood up, fisted deeply at Ye Xingchen, and said in an extremely sincere tone: "Those who know Taishan offended Mr. Ye, and ask Mr. Ye to forgive him!"

Ye Xingchen waved his hand. He didn't have the same knowledge as him, and said lightly: "Just now from your spiritual world, I saw your fear of Lin Ziming. Tell me, what is the origin of this person."

Zhou Zhe quickly began to introduce Lin Ziming, including his origin, as the door-to-door son-in-law of the Chu family. Later, he inexplicably counterattacked and became the chairman of Ziqiong Media. He then cultivated into the Innate Realm, defeating Gu Xuan and Wu Meizi in one fell swoop.

After Ye Xingchen listened, some light flashed in his eyes and said: "So, this Lin Ziming is extraordinary. From a door-to-door son-in-law, he transformed into a peerless master."

After a pause, he said again: "I am a little interested in him."

Zhou Zhe said: "Mr. Ye, this Lin Ziming is extremely violent and cruel. If you see him, you must be careful."

Then he took out his phone, clicked on a video, and showed it to Ye Xingchen, "Mr. Ye, this is a video of Lin Ziming and Wu Meizi fighting, you can refer to it."

Ye Xingchen looked over. In the video, it was obviously the desperate battle of the two innate realm masters, which caused great damage. If the current video level is not clear enough, they can't be seen clearly. Even so, it is difficult to capture their movements, most of the images are only seeing

their afterimages, even if they are slowed down twenty times, the same is true.

When Ye Xingchen saw Lin Ziming's face, his eyes suddenly became sharp, "This is..."

He looked familiar with Lin Ziming's face. Finally, he remembered that this was the wild species that the previous saint Qin Yuehua gave birth to outside!

In an instant, his eyes brightened, the corners of his mouth rose, and a big arc appeared, showing a wicked smile, "It turns out to be this wild species, neon clothes, I have caught your secret, it turns out you came to see this wild species. Now, it's really effortless to break through the iron shoes and find nowhere to go, Jie Jie."
