

Chapter: 867

“Chairman...”

Lin Ziming stood up and said, “I see, let’s go to the charity party now.”

Half an hour later, senior officials such as Lin Ziming and Wang Shougui appeared at the charity party.

Wang Shougui is bragging. The charity party tonight is indeed a very big scene. At first glance, they are all big figures from all walks of life, and there are many stars.

When Lin Ziming’s figure appeared on the scene, it attracted the attention of countless people, and they looked over.

“Dong Lin is here.”

“Dong Lin is really arrogant. I know it is a dragon and a phoenix at a glance. It is our honor to be able to recognize Dong Lin.”

“Then it goes without saying that Lin Dong is the pride of our Huacheng. At a young age, he is a strong man in the congenital realm.”

“Dong Lin, I’ll toast you a glass!”

“Dong Lin...”

Soon, many people came over, all sorts of flattering.

Some beautiful women kept glaring at Lin Ziming, and kept leaning on Lin Ziming’s body, wishing to dedicate their lives to Lin Ziming.

Lin Ziming was accustomed to such scenes, with a smile on his face, without putting on airs, chatting friendly with these big people.

At this moment, I don’t know who said, “I’m not mistaken, isn’t that Zhou Zhe from the Beitianhui? Why did he come?”

“What? Let me see... I rely on it, it is really Zhou Zhe. As the president of the North Sky Club, he still dares to appear in front of Lin Dong? Besides, he was not the only one in the North Sky Club before. Send a little guy over to the charity party? Why did he come over tonight.”

“Zhe Zhou is crazy this time, knowing that Lin Dong will come to participate tonight, he still dared to be there, is he not afraid of Lin Dong?”

“How is this possible? There is a grievance between Lin Dong and the North Sky Club. As the president of the North Sky Club, how could he not know... Could it be that Zhou Zhe came to apologize to Lin Dong this time begging for mercy? ?”

Many people looked towards the gate, and they saw Zhou Zhe wearing a brand-name suit, walking in a crowd of more than a dozen people, his face was full of spirit, and he walked with wind.

And behind him, all the high-level officials of the Northern Sky Club walked in swaggeringly.

Lin Ziming’s gaze also followed. He hadn’t seen Zhou Zhe before, but he recognized Zhou Zhe at a glance after seeing it in the photos. He saw Zhou Zhe’s proud look. Fear and downfall.

This is a bit abnormal.

Could it be that Zhou Zhe is not afraid of himself?

At the same time, he also saw at a glance that Zhou Zhe was only the realm of the pinnacle of the acquired day, and that such a cultivation base was an ant in front of him.

Soon, Lin Ziming's gaze was attracted by a man next to Zhou Zhe!

The man's face was cold and proud, he was arrogant and arrogant, arrogant, from the arrogance in his bones, it seemed that everyone in this room was just ants.

What really caught Lin Ziming's attention was that this man was also an extremely master of the Innate Realm, and he had reached the top stage! !

Much stronger than Wu Meizi!

This man is not someone, it is Ye Xingchen.
