

## Chapter: 868

This shocked Lin Ziming's heart.

You must know that there are very few masters in the innate realm. Looking at the world, they are rare in existence, and how long has it been now that he has encountered another one?

And still has reached the top stage in the Innate Realm? In other words, already has 20% of the brain power unlocked by the other party?

This is too scary!

The key is that not long ago, Tan Qiuya and Tian Mingjie from the third place of Xuanyuan just came to him, saying that there are very few innate realm masters in China and they want to recruit him to join. It didn't take long before he met one.

Now Lin Ziming stared at this person, his muscles tightened, and he felt a devastating breath from the other person. If the other person wanted, he could kill everyone here in a very short time.

When Lin Ziming noticed Ye Xingchen, Ye Xingchen's gaze also looked over, and at Lin Ziming, he showed a meaningful smile.

Lin Ziming knew immediately that the other party was targeting him.

Because of Zhou Zhe's arrival, the atmosphere on the scene was temporarily frozen. For a while, most people turned their eyes on him and Lin Ziming.

They are very curious whether Lin Ziming will directly attack Zhou Zhe.

Wang Shougui said weirdly: "Zhe Zhou doesn't want to live anymore? He knows that the chairman of the board will come to attend tonight, but he dare to come."

Han Jinlong sneered and said: "No matter what he thinks, as the president of the North Sky Club, he dare to appear in front of the chairman is a kind of provocative behavior. But in my opinion, he mostly came to bow his head to the chairman."

Wang Shougui also nodded and agreed with Han Jinlong's statement. In fact, Lin Ziming's identity is too detached now. Looking at the province, no one would dare to fight Lin Ziming. The Northern Sky Club was very strong before, but Gu Xuan was covered by Lin Ziming. Ming was killed, and now he was just a toothless tiger, not worth mentioning.

Lin Ziming said indifferently: "The Northern Sky Club is here to provoke me this time."

Wang Shougui and Han Jinlong were involuntarily surprised when they heard these words. They thought it was impossible. What would Beitian use to fight Lin Ziming now? Could it be that Zhou Zhe was really not afraid of death?

As Lin Ziming's voice fell, Zhou Zhe really walked directly in Lin Ziming's direction, with a provocative expression on his face.

The eyes of everyone in the audience suddenly focused on him. Some

people didn't know that the relationship between Beitianhui and Lin Ziming was hostile. Now that Lin Ziming is in the sun, Zhou Zhe dared to sway in front of Lin Ziming. It's obviously provocative.

Lin Ziming also showed a meaningful smile on his face, and most of his attention was on Ye Xingchen.

This is the strongest master he has ever encountered!

Suddenly provoked his fighting spirit.

"Lin Ziming, I don't think that brutal people like you have the face to attend the charity party, but it really makes the charity party tonight unclean."

Zhou Zhe walked up to Lin Ziming and said with contempt.

Many people around heard his words and immediately showed wonderful expressions, but Wang Shougui and Han Jinlong were directly angry. Wang Shougui said coldly: "Zhou Zhe, are you looking for death?!"

Han Jinlong also said tit-for-tat: "Zhou Zhe, you have been hiding for so long, but now you dare to show up? Why don't you hide into the wasteland!"

Zhou Zhe stared at Wang Shougui and Han Jinlong, and sneered: "I said you two, you can be regarded as characters at any rate, and you have become Lin Ziming's watchdog. Tsk tsk, I am ashamed of you, I don't know where you are. Came's face is still in that triumphant look, and it's very honorable in your eyes to be a dog with feelings for people, isn't it?"

When he said this, the audience was in an uproar, looking at Zhou Zhe with a different expression, full of surprise.
