

Chapter: 871

Lin Ziming didn't pay attention to him anymore, turned and left. From beginning to end, he walked leisurely, showing his identity and generosity. Although he was evenly matched with Ye Xingchen just now, no one would think he was no good. Instead, he felt that Lin Ziming took care of the overall situation and gave face to the organizer of the charity party tonight, so he didn't have the same knowledge as Ye Xingchen.

On the contrary, it was Ye Xingchen, he looked a bit embarrassing now. Ye Xingchen looked at the back of Lin Ziming's departure, his face gradually darkened, and his heart seemed to be murderous towards Lin Ziming.

Immediately he sneered and said: "YeZhong, since I discovered your existence, then you can't leave. Nishang, I have caught your handle, and I don't know if you are What expression? I hope your extremely yin physique is still there, otherwise, I will make this wild species worse than life, Jiejie." On Lin Ziming's side, Wang Shougui asked cautiously: "Chairman, who is that person just now? The cultivation base is so advanced that he can protest in court with you."

Lin Ziming tasted the red wine elegantly, and said lightly: "The new vice-chairman of the Northern Sky Club has a really high level of cultivation."

Han Jinlong hesitated for a while and asked, "How is he compared to Wu Meizi?"

Wang Shougui also pricked his ears, curious about the answer.

"Better than Wu Meizi." Lin Ziming said.

Hearing these words, both of them showed worried expressions. Lin Ziming looked over and said with a smile: "Why, are you scared?"

"There is no such thing! Chairman, you have misunderstood, how could I be afraid."

"Yes, chairman, as long as you are there, nothing can be solved."

The two of them explained hurriedly.

Not long after, tonight's charity party began to officially go on.

The rule of the charity gala tonight is that the host will show many charity projects, attract big figures present to bid for charity, and then the person who does the most charity tonight can get the title of charity ambassador.

This title has no real effect, but for all entrepreneurs in China, it is a sweet pastry, which is equivalent to a different weight in the eyes of the country. As long as it does not make a big mistake, the country will secretly take care of it.

Many people came tonight with the title of charity ambassador.

Among them, Zhou Zhe is one of them.

They are a security group in the North Sky Club, but behind their backs,

they don't do anything harmful to the world, and have been faintly warned by the above. If they get the title of Charity Ambassador this time, then they will be safer and more stable. .

“Chairman, I have investigated. The North Sky Club has done a lot of bad things recently and has been spotted by it. Zhou Zhe came to attend tonight's charity party this time, and he rushed to the charity ambassador. As long as they become this time Charity ambassadors, the crisis of their Northern Heavens will be solved.” Wang Shougui said meaningfully.

Lin Ziming nodded, and he thought about it.

Han Jinlong also said: “Chairman, you killed Gu Xuan and Wu Meizi before to prevent Beitian from taking advantage of this to your detriment. Your subordinates believe that you need to win the title of charity ambassador, so as to defeat Beitian. Yes, I can protect myself, kill two birds with one stone.”

Lin Ziming's eyes flashed, and he said, “I think it is not only the North Sky Club tonight, but many people are also here as charity ambassadors.”

Wang Shougui said, “Of course, who can claim to be a clean entrepreneur nowadays? He won the title of charity ambassador, his social status is different, and his weight in the eyes of the country is also different, which is equivalent to a gold medal for avoiding death. It.”
